

On This Side Of The Sun

By Phat

CONFUSION—Have you figured out your income tax.—In Cleveland five reporters took five identical reports, income, deductions, withholding tax and all, to five different income tax deputies. When they got through, one owed the government \$247, another \$13.07, one had a refund of \$15.05 and the others refunds of \$2.40 and \$7.50, so the report goes. . . . In Los Angeles one reporter filed identical reports at five different offices and owed the government big sums at two spots and had refunds coming at three. . . . If the government experts can't figure it out, how am I going to? . . . No matter what the answer is, I'll always feel as if I got gypped—and, probably, so will the government.

LABOR SAVER—Have a friend who felt lazy one morning—he spelled it l-o-u-s-y—when it came time to pound out his column. So he wrote: "You lucky people. Here in America a man can say what he thinks. I've taken plenty of cracks at the New Deal. Now, if I were in an Axis country my column would look like this—and he told the printer to leave the word 'CENSORED' in bold type about half way down, surrounded by big black rules. Then he went home and slept the sleep of the innocent. . . . Wish I dared.

MUSICAL—"I don't know the name and I couldn't spell it if I did, but I wish they'd put that song in which the words DO sound silly in moth balls along with Pistol Packin' Mama," said a woman this week. She means that Mairzy Dotes and Dozy Dotes thing, I guess. Here's where I lose more of my reputation as a critic. I like it. . . . The musical member of the family once said that only a highbrow or an extreme lowbrow could understand or appreciate the ultra-modern music. . . . Now I don't know which I am. . . . But, getting back to that "Kiddle-dee" number—It doesn't make sense, sure, but how many new songs do?

BEVERAGE DEPT.—The man whose nose lights up every time he tilts, connects the present flu epidemic with the current shortage of whiskey. He points to the fact that the first flu epidemic came shortly after prohibition set in. "What'a we got now?" he queries as proof. . . . Speaking of bonded whiskey—there was a lot of it in town last week. Dealers sold whiskey only to people who bought fourth war loan bonds. Of course, the price of the whiskey was added to the price of the bond. A small bond got you a half pint and so on. One man bought a \$5,000 bond to get a quart. He hasn't got the quart yet, but the dealer took his name and when it comes, he—the bond buyer—will have a high-ball.

ODDS AND ENDS—A man is a real old-timer if he can remember when drivers thought it patriotic to hold it down to 35 miles per hour. Autos are whooping it up along U. S. 99 at 60 and 70. You'll never pass a car if you hold it to 45. . . . A woman protested bitterly at a local lounge because they assessed her 25 cents for a bromo-seltzer. "I paid a lot of money to get my headache in here, the least you could do would be to help me get rid of it on the house." . . . Now here's real patriotism! Mike Gold, writing in the Daily Worker says: "Give me the Varga girl. She is naughty, she is nude, but she is" (Please Turn to Page 7)

Injuries Fatal to A. W. Dodd, City's First Policeman

A. W. Dodd, of Cathedral City, who was seriously burned in an explosion and fire at the De Luxe Trailer Park in that city last fall, succumbed at the Casitas Hospital in Indio early Thursday morning.

Mr. Dodd was manager of the park and was severely burned attempting to save equipment in the fire. He was taken to the hospital in Indio and after a long siege there, was brought home, apparently on the road to recovery. Wednesday, however, he was returned to the hospital and the end came yesterday.

Mr. Dodd was well known in Palm Springs. He was the community's first police officer and served as its entire police staff back in 1929 and 1930. He was deputy sheriff at Cathedral City.

Mr. Dodd is survived by his wife, Mrs. Ruby O. Dodd. Funeral arrangements have not yet been completed.

Feelings to Head Local USO Board

Chairman Chosen By Palm Springs Council Tuesday

Gordon Feelings, well known Village business man, Tuesday morning was elected chairman of the Palm Springs USO council at a meeting at the Hospitality house, Tamarisk road, and was active this weekend preparing organization plans through which cooperation between Villagers and local USO leaders who entertain thousands of service men annually, will be increased.

Selection of Mr. Feelings as Council Chairman ended a month's search for a capable chairman willing to take the job.

UNABLE TO SERVE

The USO council was organized a month ago and at that time Frank W. Cutler was urged to take the chairmanship. Because of the pressure of other civic duties and lack of time, Mr. Cutler urged the selection of some other man but agreed to serve as temporary chairman until that time.

Last week John DeVine was appointed chairman of a new nominating committee and working with him were Harry Klonek, Mrs. William A. Lippman and Francis F. Crocker. At Tuesday's meeting they reported that Mr. Feelings had been asked to serve and had accepted.

UNANIMOUS ELECTION

Election of Mr. Feelings was unanimous Tuesday and the committee was congratulated on its choice and thanked for its activity.

Mr. Feelings this week will decide on names for an executive committee of five and report back at next Tuesday's USO council meeting.

Mrs. Eloise Hirt, USO director, reported on plans for the USO's third birthday celebration Friday, Saturday and Sunday. A committee was appointed by Mr. Cutler to aid her in plans for the event and includes Mrs. Holly Lash Visel, Mrs. Stanley Rosin and Mr. Klonek.

Organization of the USO council, which was organized to provide more active participation by Villagers in the work of entertaining soldiers here, will be completed next week.

Clarence Simpson Is Taken By Death After Long Illness

Last rites for Clarence Simpson, widely known Palm Springs business man who died at his home here Wednesday after a long illness, will be said tomorrow afternoon at 2 o'clock at the Community Church, with Dr. J. R. Macartney officiating. Wiefels & Sons, Mortuary of Banning was in charge of arrangements.

Mr. Simpson was the owner of extensive property here and up to a few months ago, operated Simpson's Radio and Refrigerator shop. The Simpsons purchased the business in 1936, moving down here from Banning where he had a similar business, in 1937. Last April he was taken seriously ill and removed to a Banning sanitarium but a few weeks ago came back to his home here.

Before his final illness, Mr. Simpson had been active in civic affairs. He was a member of the Planning Commission and, at the time of his death, a director of the Palm Springs Lions club. He had also served on the library board. He was 42 years of age.

Surviving are his wife, Mrs. Nora Simpson; a brother, Howard E. Simpson of Waterloo, Iowa; an aunt, Mrs. F. E. Hutton, Jamesville, Iowa.

A marriage license was issued this week in San Bernardino to Richard Grenow, 35, and Martha Janz, 29, both of Palm Springs.

Proclamation

WHEREAS USO, called into being to serve the recreational, welfare and spiritual needs of the fighting forces and the forces behind the lines, will have completed on February 4, 1944, three years of service to the nation at war, and

WHEREAS in the three years of its existence USO has established nearly three thousand clubs and other centers throughout the United States and in Western Hemisphere bases for the comfort and enjoyment of men and women in military service, and has also brought them entertainment in these areas and in combat zones through USO-Camp Shows, and

WHEREAS in performing these services the three great religious faiths of our people have worked together to provide, through USO, a "home away from home" to millions of service men and women, thereby earning the gratitude of the American people, now

THEREFORE, I, F. V. Shannon, Mayor, do hereby declare the Third Anniversary of USO to be a notable event in our democracy at war and do invite all citizens of Palm Springs to observe this Anniversary by visiting USO centers accessible to them on February 4, 5 and 6, and by taking part in such ceremonies as have been arranged to signalize this occasion.

Signed:
F. V. Shannon,
Mayor of Palm Springs
February 1, 1944.

Public Gets Bid to USO Anniversary

Celebrating the third anniversary of the organization of the USO, an invitation was extended to all donors of the National War Chest, all buyers of Victory Bonds and all contributors of service hours in the war effort, to visit the USO hospitality house on Sunday, February 6, between four and seven P. M.

The invitation was extended by the Palm Springs' USO council, the troops in the desert area and the staff of the club here, headed by Mrs. Eloise Hirt, director.

A feature of the afternoon will be an open-air concert by the A Capella Choir of Redlands high school, directed by William Scholwager, between the hours of four and six.

There will also be a concert by the 95th Infantry orchestra, (Please Turn to Page 7)

Throngs To Dance At Benefit

Plans for the benefit dance to be given next Tuesday evening at the Palm Springs Roller Rink, on the Field Club grounds, for the Village recreation fund, were completed today by R. H. Bennett, Field Club director.

The money will be used to buy needed athletic equipment and to complete athletic installations. Oscar Luce will call the square dances and Spoor's orchestra will play for all of the dance, square and modern.

Mr. Bennett has been assured that a large turn-out is expected from many of the hotels and Villagers, too, are planning to be there.

Prizes for dancers have been offered by the Tahquitz Pharmacy, Plaza Theater, Gene Girard's La Fuente cafe, the Village Pharmacy and the Desert Drug store.

"There'll be a large crowd out and a lot of fun for all of them," said Director Bennett this week. He explained that government money can be used only for maintenance and operation at the Field Club and that money for equipment must come from other sources.

Dr. Purcell Named on H. S. Board

Appointed to Fill Vacancy Left By Connell Resignation

Notice was received today of the official appointment by County Superintendent of Schools, Mr. E. E. Smith, of Dr. Francis A. Purcell to the office of trustee on the high school board of trustees to fill a vacancy caused by the resignation of John M. Connell, filed two weeks ago.

Dr. Purcell has been practicing dentistry in Palm Springs since 1940. He has three children in the local schools. Before coming to Palm Springs, he served as school trustee at Indio for the Indio Elementary School District. He is deeply interested in educational problems and is recognized as a constructive civic leader.

HIGHLY PLEASED

Charles J. Burket, president of the local high school board, expressed great pleasure when notified of the appointment of Dr. Purcell to the high school board. "Dr. Purcell," he said, "will make an excellent high school trustee. We are glad to have him share with us the responsibility of directing the affairs of our high school district. We regret that Mr. Connell found it necessary to resign because of personal responsibilities which made it impossible for him to continue to give time to the school business, but we are very much pleased to be able to have Dr. Purcell in his place."

RESIGNS WITH REGRET

In accord with provisions of the State school code, Dr. Purcell will serve in Mr. Connell's place until the expiration of the latter's term of office—July 1, 1946.

In his letter of resignation to the County Superintendent, Mr. Connell said he regretted that it was necessary for him to resign from his office as trustee, but that the pressure of personal responsibilities made it impossible for him to give the necessary time to school affairs. He assured the county office that his interest in the schools would continue on an unofficial basis.

Council Says When A Door Is Ajar It's No Longer A Door

Remember that good old grammar school gag:

When is a door not a door?
The answer was:
When it is ajar.

Council had that jarring question last Wednesday night when the application of the Cue Club, East Andreas road and Indian avenue, came up.

Chairman E. E. Theriault of the public safety committee, City Manager Ray M. Sorum and Fire Chief Bill Leonosio had inspected the premises and reported that all conditions imposed had been met. Councilman C. P. Adams, a member of the public safety committee, said he'd like to have time for one more inspection before.

Supervisors Join In Opposition to Monument Proposal

Adding their weight to the opposition piling up against the proposal to transfer 17,000 acres of San Jacinto mountain wild area from the United States forest service to the National Park Service as a National Monument, is the board of supervisors of Riverside county who Monday adopted a resolution opposing the move. Copies of the resolution were forwarded to President Roosevelt, the National Park Service, Senators Hiram Johnson and Sheridan Downey and to Congressman John Phillips.

(Additional details on opposition to monument may be found on page 11, column 6.)

Village Nears 200% Mark in Bond Drive

(Frank Partridge Photo)

FOUR-STAR GENERAL—Petronilla Mutascio, daughter of Mr. and Mrs. Harry Mutascio who is a four-star general in the high school's bond drive. She won the honor by selling a \$50,000 bond.

High School Bond Salesmen Near Goal In Spirited Drive

BY BOB HOOVER

In 10 days, 80 students of P. S. H. S. have sold 500 bonds totalling \$140,000. The footwork they have done, if measured in a straight line, would cover the distance between San Diego and Mt. Shasta.

They have sold the small bonds. They have rung doorbells. They have personally contacted over 2000 Villagers and they have sold bonds to 500.

One high school girl walked approximately 10 miles and sold one bond. One boy walked a dozen miles in a different territory and sold over 50.

Henry Greeley, faculty adviser for the drive, is more than pleased with results to date. He said today he thought the students would go over the top this weekend. "These students have the footwork to do in this drive," he declared, "and they have done themselves proud. What seemed impossible at the beginning of the

Vaughan Arms Apts Sold By Shannons To Benj. Darnell

Benjamin F. Darnell, who recently sold the Darnell building, 370-380 North Palm Canyon drive, this week purchased the Vaughan Arms apartments, 168 West Arenas road, from Mayor and Mrs. F. V. Shannon, and is expected to take possession of the property shortly after March 1.

Mayor and Mrs. Shannon were not ready to divulge their future plans beyond that they expect to stay in Palm Springs and remain Villagers.

The Vaughans Arms, under the guidance of the Shannons, has long been very popular with winter residents and already has a waiting list for next season. Mr. Darnell says he plans to keep it on the same high plane it has been maintained.

Mr. Darnell sold his holdings on North Palm Canyon drive to Tom Luke in January.

The deal was handled by the John Munholland realty firm.

Red Cross to Be Club Topic

Marking the opening gun in the annual Red Cross drive, Palm Springs' Woman's Club next Monday afternoon will present its annual Red Cross day at which time exhibits of the work being done by the Village branch of the Red Cross, stories of its activities and an outstanding speaker, Col. William J. Fox, U.S.M.C., will be heard.

Mrs. William A. Lippman, president of the club, issued a general invitation to the Village to attend because of the importance of the session. Men are especially invited. Tickets are \$1.10.

Philip L. Boyd, chairman of the (Please Turn to Page 7)

March of Dimes Drive Reaches \$500 And Still Growing

Mrs. Charles Burket, chairman of the March of Dimes campaign in Palm Springs, reported today that total receipts to date were \$500 and that contributions were still coming in.

In the fund so far reported, was \$100 collected by grammar school children of the Village. Last year the youngsters contributed \$50.

Mrs. Burket expects the total this year to be approximately double of what was contributed last year.

With 11 days to go in the Fourth War Loan Drive, Chairman Tom Holland reported at 10 a. m. today that total sales here were \$678,553. The city's quota was \$400,000. Mr. Holland said that another \$50,000 purchase had been made but was not in the total because the check had not yet reached him. With other pledges made, Mr. Holland said it would not be long before the city had doubled its quota.

"This is going to be a notable achievement," he said. "We will have doubled our quota, I am sure, before many communities reach their original goal."

HIGH SCHOOL OVER

Mr. Holland reported that the high school door-bell ringers, whose goal was set at \$150,000, had sold \$151,674.75 in bonds at noon today.

(Details of the high school campaign may be found in Columns 5 and 6 on this page in today's issue of The Sun.)

Although they have reached their goal, the high school youngsters plan to keep going until Feb. 15 to see how far they can overshoot their quota.

BIG SHOW COMING

Next big event on the bond program is the premiere of another outstanding film to be staged at The Plaza theater Feb. 15, the final day of the drive. George Strebe, who has been letting no effort go unattended if it will sell bonds, has an excellent show lined up for the occasion.

It was announced by Mr. Holland today that all who buy bonds between yesterday and the day of the show, will be entitled to a seat under the same set-up as prevailed for the highly successful premiere staged January 26.

IN VICTORY SECTION

In the meantime, he also reminded bond buyers that purchase of a bond at either theater or at the mobile unit entitles the buyer to a seat free in the Victory section of the theaters that evening.

Mr. Holland found another prolific source of bond sales this week when Phil Delano of the Palm Springs Drug company reported that he had been contacting dealers in alcoholic beverages here and reported, as of Wednesday, the sale of \$67,100 in bonds.

WELL OVER QUOTA

Delano was appointed Palm Springs chairman by the California Alcoholic Beverage Industry and his quota was fixed at 10 per cent of the city's or \$40,000. Mr. Delano says he will follow the city's trend and when the

One Dead One Hurt In Crash

One man was killed and a woman severely injured at about 10 o'clock last night at Windy Point when two automobiles collided, both being hurled from the highway and badly wrecked.

The dead man was Charles Mero, 42, of Los Angeles, who was proceeding toward Palm Springs. The injured woman is Mrs. Truman Nichols, employed at White-water and a resident of the Village. She was driving north toward Whitewater. Mrs. Nichols suffered severe lacerations about the head, chest and legs and a fractured arm.

Local police were notified at shortly after 10 p. m. and called highway patrol officers as the scene of the crash, about five miles north of town on Highway 111, was out of their jurisdiction. A police car was sent to the scene (Please Turn to Page 12)

Episcopal Church Getting Ready For Parish Building

The Rev. Robert M. Hogarth, vicar, and warden and vestrymen of St. Paul's in the Desert, Episcopal church, meeting at the home of Fred M. Carter, warden, voted this week to reappoint the building committee, which served so efficiently in the construction of the church edifice, to serve for the building of a parish house after the war. The committee consists of Mrs. Raymond R. Wilson, H. Earl Hoover and Francis F. Crocker with the vicar and warden as ex-officio members.

Preliminary plans have been submitted by Clark and Frey, architects, and they include 12 Sunday school rooms off the main auditorium, a kitchen, study, choir room and guild room.

The building will be erected at the rear of the present edifice with entrance from the private driveway which the parish shares with the Barton property.

Gifts of war bonds for the proposed building are already coming in and on Wednesday noon had reached a total of \$3,155.50.

On motion of Councilman John Connell, salary of the city street sweeper, termed "the forgotten man" by City Manager Ray M. Sorum, was increased \$15 monthly by city council Wednesday night.

Mayor Frank V. Shannon was in Riverside Wednesday on business.

CHRISTIAN SCIENCE CHURCHES
"Spirit" will be the Sunday Lesson-Sermon subject in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston. This statement of Paul to the Galatians is the Golden Text: "We through the Spirit wait for the hope of righteousness by faith."

In a selection from II Chronicles Jehoshaphat is told "There cometh a great multitude against thee from beyond the sea on this side Syria; . . . And Jehoshaphat feared, and set himself to seek the Lord. . . . And said, O Lord God of our fathers, art not thou God in heaven? and rulest not thou over all the kingdoms of the heathen? and in thine hand is there not power and might, so that none is able to withstand thee?" And the Lord said through Jahaziel, the Levite, "Be not afraid nor dismayed by reason of this great multitude; for the battle is not your's, but God's." In the battle that followed singers "went out before the army" and their enemies "were smitten."

In "Science and Health with Key to the Scriptures" Mary Baker Eddy says, "To have one God and avail yourself of the power of Spirit, you must love God supremely." "The central fact of the Bible is the superiority of spiritual over physical power."

Focus of Church Attention Is Now Easter Says Vicar

Sunday bears the ancient Latin numerical name Septuagesima signifying the 70th day before Easter and at St. Paul's in the Desert, Episcopal church, the focus of Christian devotion, the Rev. Robert M. Hogarth, vicar, said, will be the Risen Lord, not the Bethlehem manger.

He will preach at the 11 o'clock service on the "Christian Creed," the importance of intellectual assent to the fundamentals of Christian faith.

Chaplain B. L. Smith of Camp Young will speak to the young people at the 7 p. m. service.

Chaplain Smith is rector of the great parish of Christ Church, Dallas, Texas. An expert on work with young people, he has served with distinction on his Diocesan Board of Religious Education and has been for four terms a clerical member of the General Convention.

Community Budget Drive Progressing

Dr. J. R. Macartney, pastor of Community Church, reported this week that much progress is being shown in the annual budget drive for the church.

Many still remain to be seen, he said, but he expects the campaign to come to an end Sunday, Feb. 13.

St. Paul's Guild to Meet Tuesday

St. Paul's in the Desert Guild will meet next Tuesday at the home of Mrs. John S. Hobson, 429 Camino del Sur, Helen A. McCallum, secretary, said today.

Mrs. Myron V. Wilson will be the hostess.

COMPOSER—Robert Harkness, noted composer and pianist, who will be heard in concert at the Community Church Sunday night.

Harkness Concert Sunday Promises Outstanding Event

Robert Harkness, for more than 35 years active as a pianist and composer, will present a concert Sunday night at Community Church here which promises to be an outstanding event.

He is the author of hundreds of hymns, sung in all churches and as a feature of his concert here, will compose a hymn from any verse of the Bible which may be mentioned. The congregation will then learn and sing it, Dr. J. R. Macartney, pastor of the church, said.

A native of Australia, Mr. Harkness was with the Torey-Alexander Evangelistic party and toured the world with Dr. Wilbur Chapman in the interest of sacred music.

He has long been an international figure having crossed the Atlantic 32 times in world-wide musical work.

The public is invited to the concert which will include in its program many of the famous sacred songs.

Villagers Attend District Rally of Southland Church

Dr. and Mrs. J. R. Macartney of the Community Church, attended a district rally of all Presbyterian churches between El Centro and Pomona, at Riverside to greet Henry Sloane Coffin, president of Union Theological seminary and moderator of the general assembly of the Presbyterian church.

The general assembly convenes in May in Chicago and Dr. Macartney has been named delegate from the Riverside Presbytery.

Junior Choristers Hold Monthly Party

Junior Choristers of the Community Church held their monthly party on last Saturday afternoon, at the home of Dianne Crandall, on North Indian Avenue. The afternoon was spent in singing and playing games, supervised by Mrs. Violet Fowler, who is a choir mother.

At the close of the afternoon delicious refreshments of cookies, punch and fruit were served by Mrs. Crandall, mother of the hostess. Twenty of the regular members of the chorus were present to enjoy the hospitality.

Nothing is the best thing to do in a hurry.

Los Compadres Club Parade, Gymkhana And Kangaroo Court Contributes Much to Bond Drive And Is Huge Success

Sunday's parade, Kangaroo court and Gymkhana, staged by the Los Compadres club at Trav Rogers stables, was one of the most exciting and successful held in some time. The parade, which started at Ramon road and Palm Canyon drive and proceeded to Rogers' ranch via Ramon road and Sunrise way, was full up.

Riders from the club, from all nearby ranches and from all local stables, took part in the cavalcade. There was also a horse and carriage, the latter filled with pretty girls from the Deep Well Guest ranch and Rogers' stage coach in the procession.

COURT COLLECTS

Arriving at the Rogers' ranch, a kangaroo court went into brisk operation with Jim Deaver as justice. Pretty girls were fined for being too pretty, wealthy visitors for being too wealthy, easterners for being in the west and a lot of other culprits for various other offenses against the dignity of the court.

Following the trials, the assemblage adjourned to the rodeo grounds for the Gymkhana in which Jane Neel starred, taking two first and one second in four events.

MANY ENTER EVENTS

There were many entries in all events with the results noted by Jimmy Cooper, Los Compadres secretary, as follows:

Stake race: Jane Neel, first; Elmo Purnell, second; Harry Irvin, third.

Bending race: Jane Neel, first; Bill Wilson, second; Ray Green, third.

Potato race: Ben Barnes, first; Jane Neel, second; Harry Irvin, third.

Musical chairs: Bill Parket, first; Ben Barnes, second; Ted Reed, third.

ED DAVIS WINS

The calf-roping contest was a closely contested affair with Ed Davis and Joe Butler tying for first place in 33 seconds each. In the rope-off, Davis won in 19.9 seconds, fast time for the event.

Following the Gymkhana, war bonds were awarded to the winners. The war bond booth, maintained by the Bank of America, at the scene, did a brisk business, the entire program having been staged by the club as a Fourth War Loan boost.

Paul Grimm Told His Paintings a Great Inspiration

Paul Grimm, renowned Palm Springs artist, who paints desert and other scenes so magnificently that visitors who pass his studio on Palm Canyon drive stop, some of them many times, to look at the paintings shown in his window — has built up a national reputation for his art and receives many letters of praise and appreciation from persons residing in different parts of the United States who have visited his studio in Palm Springs.

A typical remembrance is one received from a prominent business man in Minneapolis yesterday. The writer says:

"I always think of a landscape as a window into another situation. So you can imagine the pleasure I get seeing 'your Desert in Bloom'. As a business man I get more enjoyment out of your painting per dollar—more lasting inspiration—than anything else. Very sincerely, Mac Martin."

Marriage license was issued Monday by County Clerk G. A. Pequegnat to James E. Moss, 25, of Eugene, Ore., and Inge Albers, 23, of Palm Springs.

For Essential Transportation — Yellow Cabs. Phone 4444.

City council Wednesday night on recommendation of City Manager Ray M. Sorum, transferred \$26.30, remaining in the Tamarisk road tree fund, to the street fund, to be used for street sign purposes.

Entire Desert Area to Hum With USO Activity During Week End As Third Birthday of Organization Observed

BY GAIL SOLLENDER

Rubinoff and his violin. USO Mobile demonstrations, sunset open air concerts, community-military variety shows, and birthday balls will mark the third anniversary celebration of the National USO next weekend, when USO Clubs and USO Mobile men throughout the desert area join hands in lighting the third candle on the birthday cake of the USO.

From Las Vegas, Nev., to Ajo, Ariz., and from Needles to Palm Springs, club directors and staff personnel, together with community committees, are planning special weekend activities in commemoration of the birth of the three-year-old USO.

Mrs. Eloise Hirt, of the Palm Springs USO, is planning an open air sunset concert Sunday afternoon, with the Redlands A Capella Choir as honor guests. Sun and Sand Caravan girls from Inglewood are to be the official hostesses and a military band and glee club is anticipated. Townspeople will participate in the concert plans and will chairman refreshment and decoration committees. Saturday night the community has been invited to attend the songfest Mrs. Holly Lash Visel will lead at the local grammar school. The songfest will follow a birthday dance presented by the Sun and Sand Caravan girls.

A USO Mobile truck will be here Sunday for inspection by Villagers of its various and numerous items carried for entertainment of soldiers in lonely desert spots. At a recent meeting here, plans for the event were discussed at a two-day conference culminating in a dinner at the Desert Inn.

Prisoner of Japs Speaks In Village

Chester Fritz, an American business man who had offices in Japan, China and many other important Far East cities and who was a prisoner of the Japanese after the war broke out, addressed service men at the 21st Ferrying Group this week.

Noted Republican Woman Leader Is Visitor In Village

Ethel Gillett Whitehorn, editor of the Republican Spokesman, most widely read political newspaper in the nation, is now a visitor in Palm Springs, at the La Serena cottages.

Mrs. Whitehorn, a native daughter of California, whose father was James N. Gillett, former governor of California, is a noted speaker on government affairs, on the executive board of the Republican state central committee, chairman, national legislation, California council of Republican women and speaker for the American Red Cross.

Property Tax Total In County Dropping

Property tax levies in Riverside county for county, school district and special district purposes for the 1943-44 fiscal year totalled \$3,188,423. For the 1942-43 fiscal year, the total was \$3,204,888, the California Taxpayers association reported this week.

In 1941-42, the tax levy total for county, school and special districts was \$3,494,939. City tax levies are not included in the figures.

IN CONFERENCE—Shown in front of their "Clubs on Wheels," are the U.S.O. Mobile Service Directors of the C-AMA who met recently in a two-day conference in Palm Springs.

Desert Riders to Keep Trails Here In Fine Condition

Trail Boss Eugene V. Griffes of the Desert Riders, is active at present repairing desert and mountain trails, maintained by the organization, as result of a recent meeting of the group at the office of Raymond Cree, one of the directors. Other directors present were Mr. Griffes, Earl Coffman and Earl Gibbs.

H. E. Patterson was elected to membership on the board to succeed the late Dr. F. M. White. Because M. S. Slocum, vice-president, and now at the head of The Desert Riders will be unable to be here this season, on his recommendation, the directors agreed to serve as a committee to manage its affairs.

Activities of the organization this season will be confined to keeping its large investment in desert and mountain trails in repair as they mean much to the community and are now proving highly popular with visiting riders.

Pay Telephone Bills before the 30th and receive your discount.

In the Know With the USO

by ELOISE HIRT

Well, that 81st USO water safety class for the Junior high boys is underway and we want the mothers and fathers of the twenty-nine future junior life guards to know that the report is okay all around. Mr. Howeth comes along, climbs into a swim suit and does all the stunts with the lads. We wouldn't be surprised to hear that he's offered Corporal Trager and Pfc. Kiner a job after the war, so successful are they at keeping that gang of live wires on the beam. Best shot at the second lesson was the technique of working out a leg cramp. . . . and that's the only way you'll save yourselves," finished Trager after the demonstration. "Save ourselves?" chirped one hopeful, "I thought we're supposed to save other guys."

MONTHLY PARTY

Our monthly party for Negro troops took us onto the tennis court for dancing again early Sunday evening. Cool, yes, but not too cool for the real thing in jitterbugging. Soldier guests were from the ordnance outfit down in Palm Village, while the Junior Hostesses were gathered from Riverside, Indio and Palm Springs. All the way from San Bernardino came the 273rd Band to sandwich in two hours of rhythm for Palm Springs between dates on their home field. If any soldiers in the desert area work harder than the men in the few dance orchestras we don't know who they are! A good project for 1944 would be to bring Woody Herman's dance band down here and stage a bang up party for military orchestra men only.

With the band and the junior hostesses gone, the Palm Village boys settled down to two fine movies presented by Prof. and Mrs. T. D. A. Cockerell of the Desert Museum. This was the Cockerell's first contribution to the USO program and the whole thing seemed to be so right for a Sunday evening that we persuaded them to accept a monthly date with us.

LUCKY "Z"

At Saturday's Sun and Sand party there was a Queen to be crowned. The Wilmington girls had selected petite Julia Baldiaz as the most popular, loyal and valuable girl in their USO service and we were ready to honor her with a delicately beautiful

Woodie Herman And His Band At Posts

Woodie Herman and his famous dance band will be in Palm Springs Sunday, playing for service men at Torney General Hospital in the afternoon and in the air base gymnasium Sunday night.

wreath of desert holly. "Who's to do it?" somebody asked. We couldn't let four hundred men flip nickles to pick the lucky crowner. "I've got an idea," said Bill Willard, as he led Julia to the stage for the presentation. "Julia's name ends in the last letter of the alphabet. Is there a soldier in the house whose name ends in the letter Z?" There was a moment of crushed silence in the room and then a little Spanish soldier in the rear, frightened and delighted almost to speechlessness, squeaked out, "My gosh! It's me!" Sgt. Francisco A. Valez, volunteer from Puerto Rico, was rushed to the stage and handed up over the footlights. There, like all good soldiers in crisis, he took the situation well in hand—Julia found herself not only crowned but well embraced.

DODGES HEPCATS

Visitor at the dance was Mrs. Benjamin Pinchot of McCall's Magazine staff. She arrived in time for mulled cider and doughnuts and stayed to dance with a couple of the men. When tagging began, she made skillfully for the sidelines. "I was scared some jitterbugging soldier would tag me," she said, "and 'hat's not quite my era."

ALWAYS NEW

Holly Lash Visel and Peggy Clark swapped roles at the songfest and an excellent swap it proved to be for now we have two swell song leaders. As afraid of a rut as most people are of snakes, Mrs. Visel is always ringing in something new. Last week she surprised us all with a solo series of her own: "I'm Falling in Love With Someone," "Tea for Two," "Smoke Gets in Your Eyes," and "You Don't Know What You're Missin'" all strung together on a charming thread of continuity. Her performance met with frightening approval. Mrs. Visel, used to the polite applause of clubs and churches, was not prepared for the vociferous shouts of "More, more, more!" which characterizes GI satisfaction these days. This week Peggy Clark paused in baton wielding to sing "Tojourns L'Mour" and "Summer-time" to an enraptured audience and, while the spell was on, Regina Malley from Wilmington sang some popular Saphn songs. Great fun, this songfest.

Buy your produce the modern way—by weight—at Safeway.

LET 'EM HAVE IT!
Buy an extra War Bond now, during the Fourth War Loan Drive.

Right to limit is reserved. No sales to dealers.

Display your colors

Every patriotic home in America will want to display this emblem. Paste it on your front door or on a window to show that you have done your part in the 4th War Loan.

Every patriotic home in America will want to put up this emblem!

THIS emblem is a symbol of your patriotism. It tells the world that you have done your full share in the 4th War Loan. Every true American will be proud to display it at home.

Our valiant fighting men . . . soldiers, sailors and marines . . . on every far-flung battlefield are on the attack . . . forging ahead steadily, relentlessly. Nothing on earth can stop them . . . IF WE BACK THEM UP!

Backing them up means throwing every dollar we can possibly spare into the fight *right now* . . . even if it takes sacrifice on our part.

That's the purpose of this 4th War Loan Drive.

To earn the right to display the 4th War Loan Emblem you must invest in at least one EXTRA hundred dollar Bond (at a cost of only \$75) . . . over and above your regular War Bond subscription. But don't stop with *one*! Invest in all the extra Bonds you think you can afford . . . then invest in some more!

Remember, every dollar you put into War Bonds does double duty. It helps to win the war . . . and at the same time it insures your own financial security.

Here, too, is a chance to help your company meet its quota in this 4th War Loan.

Maybe this will mean sacrifice on your part. Maybe it will mean doing without something you want. But don't forget . . . while you are only lending a few spare dollars . . . thousands of our gallant fighting men are giving their lives for you! Show that you're backing them up 100%. Invest in *extra* War Bonds to the limit of your ability. And display the 4th War Loan Emblem at home!

BUILD YOUR FUTURE WITH THE WORLD'S SAFEST INVESTMENT

All over the country men and women look to the future with confidence. They are the ones who have put part of their extra wartime earnings into the world's safest investment—U. S. Government War Bonds.

Yes, they are helping their country in its grimest struggle. But they are helping themselves, too! They are helping to secure their future, to weather any troubled days that may lie ahead.

What about *you*? Are you letting the dollars slip through your fingers—dollars that should be put safely away in War Bonds?

There are War Bonds to fit your needs . . . Bonds that are backed up by the strongest "company" in the world. Build that home you have always dreamed about. Send your child to college. Buy the wonderful things that are coming after the war. YOU CAN DO IT WITH YOUR WAR BOND SAVINGS.

January Building Shows Great Gain Over 1942 Figure

Ray M. Sorum, city manager, and P. M. Swart, assistant director of public works, issued 25 building permits during January, for a total value of \$5593. Most of the permits were for repairs, additions or remodeling. In January, 1943, nine permits were issued for a total value of \$1480. Permits issued in the last two weeks were:

January 20:
Clarence Simpson, 342 North Palm Canyon drive, repairs, \$210.

January 22:
L. L. Sherwood, Banning, repairs to property at 1508 North Palm Canyon drive, \$65.

January 24:
Earl Gray, Royal Palms hotel, 226 North Palm Canyon drive, remodeling, \$1,000.
John Fulmer, 266 South Indian avenue, remodeling, \$100.
Milton E. Joseph, 688 Vereda del Sur, addition, \$65.

January 25:
J. R. Fouch, 330 Baristo road, remodeling at 240 South Palm Canyon drive, \$200.

January 26:
Louie Gautiello, 480 North Palm Canyon drive, remodeling, \$500.
S. Martin Zalud, 216 Camino Descanso, remodeling, \$100.

January 27:
Refugio Salazar, 182 East Andreas road, Pioneer Club, construction of warehouse, \$300.

January 28:
Ray Hawthorne, 695 South Palm Canyon drive, remodel cafe, \$950; Irwin Schumann, 217 North Palm Canyon drive, addition to cafe, \$200.

February 2:
F. P. Clatworthy, 698 West Ramon road, remodeling, \$200; Sunshine court, 316 North Palm Canyon drive, re-roofing, \$250.

Ask Protection For Village Purchasers

Kenneth Kirk, representing the Home Owners league of Palm Springs, appeared before city council last night and asked that an ordinance, safe-guarding purchasers of wood, fertilizer or material bought by the wagon load, from short measures.

He said that he did not believe a deliberate attempt was being made to cheat purchasers but that most of the short-weighting was done through ignorance. His request was referred to the general committee of the council for action.

(U. S. Army Photograph)

FIRST PURCHASE—Lt. Col. Richard D. Morgan, right, commanding officer of the 21st Ferrying Group at the local Army Air Field, buys the first air-mail stamped envelope as the air base post office gets its Class A rating. R. M. Gorham, Palm Springs postmaster, makes the sale as Capt. Hale P. Farris, communications officer, left, and Lt. Joyce Went, behind the counter, watch.

Another Postoffice Opens Here And First Letter Goes to President of United States to Aid Polio Battle

Palm Springs got another postoffice this week—at the army air field—and the first letter posted went to the President of the United States!

With Postmaster R. M. Gorham and Lt. Col. Richard D. Morgan, commanding officer of the 21st Ferrying Group, Ferrying Division, Air Transport Command, officiating, the first business of the newly designated Class "A" office was the purchase of money orders for \$190 and the purchase of the first airmail stamp, both by Lt. Col. Morgan from Gorham.

TO BATTLE POLIO

The money orders bought represented the 21st Ferrying Group's contribution to the infantile paralysis foundation and they were placed in the initial air-mail stamped envelope which the first regularly scheduled direct air mail flight from Palm Springs will carry to Washington addressed to President Roosevelt as commander-in-chief of the army and navy.

Just when the letter will actually leave the Village depends upon the starting date of the direct air mail. Gorham said he had not yet received an exact starting date.

NOW CLASS "A"

With the Class "A" designation, personnel at the air base can now buy stamps and money orders, a procedure which heretofore was not possible.

The postoffice falls under the supervision of Capt. Hale P. Farris, group communications officer, and the postal officer is Lt. Joyce Went, Wac. It is staffed by male and female military personnel of the Post. The office has been in operation for some time but only as a depository and receiving terminal for mail.

Municipal League Official Guest Here

Dick Graves, secretary of the California League of Municipalities, is a guest in Palm Springs, vacationing between business calls in the southland, at Burket court. He was a visitor at the city council session Wednesday night. Last Friday night Mr. Graves addressed the Citrus Belt division of the league, meeting at Redlands.

FOR SALE

A fine location for a cottage hotel. A full block in the center of Cathedral City. Two dwellings as nucleus that will carry the investment until additional structures can be built. This is a real buy.

Midwinter Carnival At Base Big Success

With the merchants and other Villagers contributing many handsome prizes, the G-I Midwinter carnival at the air base gymnasium this week was a great success. All of the thrills of a carnival plus dancing to the music of the 21st Ferrying Group band, made it a gay evening.

Cathedral City

W. R. HILLERY

If my hasty understanding of the news is right, we will have our California primary election on May 16th. That should mean less absentee ballots necessary for desert dwellers. When the elections were in August, even many of the desert rats were on the coast absorbing some moisture and voting had to be done that way or was neglected. Every primary election is important so if you are eligible to vote on the desert, be sure your name is registered.

A message to every resident of Cathedral City, whether property owner or not, is to be at Town Hall at 8 p. m., Monday, February 21st. That's the day before Washington's birthday. Its the annual meeting of the local Chamber of Commerce and election of either seven or eight directors, who with the holdovers, elect the officers. President Cobb will report on the state of the community and receive suggestions for community betterment. If you are not a member of this organization, you are cordially invited to become one and your annual dues of \$5.00 is wisely spent, for not even Secretary Alphamay Larsson receives pay in any manner.

F. Marion Wilkes, who is not related to our Wm. C. Wilkes, but who has been a resident and property owner for several years, returned after an absence of a couple of months. Mr. Wilkes was one of our faithful during the long days of spotting airplanes.

Mr. and Mrs. Robert H. Sherrill are spending a few weeks here while Mr. Sherrill is recovering from a recent illness. We are glad these fine people wanted to come here but it was almost like a black market to find a place for them. Thanks to Mrs. Anne Reilly they are comfortably housed. Mr. Sherrill with P. H. Wedel of Oakland, and the late John J. Grove were the corporate owners of the local water company and land company. The interests remain the same. Mrs. Groves continues to represent her late husband's investment. Our little old one hour more sunshine has never failed to do its stuff and I'm sure it won't fail us now and the Sherrills will thoroughly enjoy their stay.

Among new owners of property in our village, it is a pleasure to report that Orpha Jean Shontz, judge of the municipal court of Los Angeles, and Miss Eve Woodruff, Director of investigation of girls for L. A. county probation department, recently concluded the purchase of the beautiful home of Mrs. Mary G. Jenkins on F and G streets and Verbena Lane. Judge Shontz and Miss Woodruff are no strangers to our village, having enjoyed their vacation here for several years past. It was my pleasure to handle this deal and to welcome our two distinguished owners into our community, although their actual residence must be deferred. Also we are glad that Mrs. Jenkins who has endeared

herself to all who know her, will remain in our village and will occupy her other cottage here.

I am sure the community sympathy goes to Jas. W. Kyle, who this week, learned of the unexpected passing of his sister who lived in Riverside. Mr. and Mrs. Kyle left to attend the funeral services.

The Bond drive continues and our part of the area about Palm Springs is doing its share very nicely. There is still a week or two left in which to dig.

Recently we learned that A. V. Linkletter had acquired the two lots adjoining on the west of his fine business property at Glenn Ave. and the Highway. This will allow for future expansion which is sure to come.

Mr. and Mrs. Bud Kelly are due at Peterson's Desert Cove ranch this week-end and Jack Hillery having an opportune leave from the Coast Guard, will accompany them to the desert.

P. R. Richie, whose second love at least is the far north where he and Mrs. Richie spent so many years, gave me a recent copy of Life that was very interesting in showing illustrations of luxuriant vegetable gardens that are privately operated near a river and sixty miles north of the arctic circle. I always put in a plug for the far north because if the governors keep fighting the idea of a funicular railway up San Jacinto, we will get peaved and fly north each year during the summer months.

I know it pays to advertise in The Desert Sun. I want to sell my butane gas business and my ad left out the word "business" and as a result, eight people either called up or called in person asking for gas or the gas tanks which, of course, are not my property.

Mr. and Mrs. Bruce Cregar who operates an Indian trading post in Palm Springs, were in Cathedral City this week. They have some property here and we hope that when the time comes for reshuffling the many desert activities they will open a branch store here.

Mrs. Ethel York, owner of three dwellings in Cathedral City, is visiting here while her brother, Oscar Levier, who has been looking after her places, is taking a short vacation.

Granddaughter of Pres. Wilson Here

Faith McAdoo, youngest daughter of former Senator William Gibbs McAdoo and granddaughter of President Woodrow Wilson, is a visitor in Palm Springs, the guest of Mr. and Mrs. Mathew Hennes of the Desert Drug company.

NEW ENGLAND FISH

Six hundred million pounds of seafood are caught by New England fishermen each year, 85 per cent of this consisting of only ten species of fish.

OPA Investigators Check Gas Books On Road to Village

Approximately 250 motorists, rolling along the highway into Palm Springs or parked here, found themselves obliged to explain to their rationing boards the nature of their trip here. George Shaw, chief field agent for the OPA in Los Angeles, and a crew of investigators were along highway 99 and state highway 111 last Sunday checking motorists with B and C cards and also came into the Village to note cars parked here.

Shaw said that many drivers were displaying only A stickers but were in possession of B and C books.

The investigators disclosed that several drivers along 99 and 111 were clocked at between 50 and 70 miles an hour. These were not stopped but their numbers were noted. Shaw said the OPA had no authority to stop speeders. One driver, noting he was being observed, pulled down from 70 miles per hour to a stop and explained that he was hurrying to church, Shaw said.

"It is obvious," said Shaw, "that many of these drivers were on pleasure trips. They will have to explain to their boards."

Many of the cars spotted were the property of army personnel and many others were those of Villagers or seasonal residents.

Maj. Robert Ransom On Brief Business Visit in Village

Major Robert Ransom was in the Village last week end, called here by the critical condition of Mrs. Julia S. Carnell whose property he manages here. He was granted a seven-day leave but due to traveling conditions, he had but time for a day and a half in Palm Springs.

Maj. Ransom came here from the Fitzsimmons General Hospital in Denver where he has been for the past few weeks undergoing treatment for an injury received while at Marana army air base near Tucson, Ariz.

King Carol has a press agent. Why don't the paperhangers hire a man to offset the bad publicity they got from Hitler?

Daughter of Winter Resident On Visit

Mrs. R. O. McLean and son Roddie, of Madison, Wis., are visiting Mrs. McLean's father, W. M. Davis, at Monte Vista court.

Lt. (j. g.) McLean, who accompanied them west, left the train at Tucson to enter the Navy Training school at the University of Arizona. Mrs. McLean and son expect to stay in Palm Springs until he is again transferred.

Mathew Hennes, Jr. Is Now Sergeant

Mr. and Mrs. Mathew Hennes have received word from their son, Mathew, Jr., now with the army in the northwest, that he has been raised in rank to sergeant. He has been transferred to a new base farther north.

More people than ever before are willing to let those who really like to work enjoy themselves.

IT'S IN THE AIR. You can feel it, every time the Axis is struck. This is the climax year, the year of decision.

In history, 1944 will be the big year of the war—every stroke for victory counts more now. That's why it's vitally important for every American to beat his post, doing his part right now.

You, personally, have an important job in winning the war—buying War Bonds. It's not glamorous—no, not even a sacrifice, really, because you are only lending your money, to be returned with

interest. But it is essential to complete victory.

Your part in this year of decision is at least one extra \$100 Bond, above your regular Bond buying. That is your minimum individual quota. But don't stop there. Remember wars are won only by all-out effort. So buy \$200, \$300, \$500 worth—buy more than you can afford. And buy your Bonds where you work—at the plant or at the office.

Your country is counting on you—let's make the year of decision OUR year!

This sticker in your window means you have bought 4th War Loan securities.

Let's All BACK THE ATTACK!

A COMPADRE FINDS HIS HAT; HONEST YOUNG WOMAN FINDS MONEY-FILLED PURSE—

One of the Village's Compadres lost his Stetson western hat last week. "Put an ad in the paper," he said. "I don't care what it costs. I want my hat back." (It was his pride and joy.)

No sooner was the Desert Sun off the press than the compadre's telephone began to ring. It rang all week. This week he came again to the classified desk. "Put another ad in the classified page—in the same place," he whispered hoarsely. "Tell everybody I've found my hat. My voice is giving out." . . . A little classified ad did it.

The newspaper office is one place where we try to please. But of all unfair requests this tops the list: "Gimme the rental list before it appears in the paper."

Just how and where that gremlin originated, we would like to know. Picture the disappointment of hundreds who look to the want ads for help in finding what they need to arrive bright and early at a location that offers hope and be met with: "That was rented or sold (as the case may be) to a person who got the ad before the paper came out."

So once again: We DO NOT release want ads before they appear in the Sun.

The honesty of Palm Springs Villagers was demonstrated again last week. This time by a very charming young woman, the wife of a leading merchant. She found a billfold crammed with currency on the sidewalk in front of her husband's store in the Plaza.

First she called the Desert Sun. The paper was off the press for the week. Then she called the police station. The surprise of finding the wallet was surpassed by the thrill of finding the owner there. He was reporting his loss to Chief L. J. Sanard.

Volunteers Urged to Register Now For Nurses' Aids

More applicants for a six week course in Volunteer Nurses' Aid training, to be started at Torney General Hospital under direction of Mrs. Mildred Sellinger on February 21 are needed, Red Cross officials said today, and all willing to undertake this vital work are urged to contact headquarters of the Red Cross for a conference with Mrs. Elbert H. Brock, chairman, immediately.

It is interesting and helpful work and will mean a big part in the war effort, officials pointed out. Now at Torney as a Volunteer Nurses' Aide is the daughter of General Brittingham. In her crisp light blue Aide uniform she is on duty daily at Torney and with seven other graduates, is doing her bit to help the boys who have already given so much for their country.

The new class will be the first to be trained at an army hospital.

Both Col. A. B. Jones and his Chief Nurse, Capt. Traeger, are anxious to have more graduate Aides serving at Torney Hospital. Their work is particularly important in relieving a shortage of regular nurses at the present time.

The discovery and isolation of the tubercule bacillus, the cause of tuberculosis, announced in 1882, was the work of Robert Koch, who was born 100 years ago, December 14, 1843.

GREYHOUND JOINS CAMPAIGN TO ENLIST WOMEN IN MARINE CORPS

A little over eleven months ago the first American woman donned the attractive uniform of the Marine Corps Women's Reserve. Today, thousands of girls in Marine forest-green with scarlet markings are working in control towers and link trainers, driving transport vehicles, rigging parachutes, and performing other highly specialized duties formerly handled by male Marines. Every Woman Marine has released a man for the fighting front, and thus has participated in glorious American Victories such as those on Bougainville, Tarawa and New Britain.

In pointing out these inspiring accomplishments during the first historic year that women have worn the uniform of this distinguished branch of America's fighting forces, Colonel D. M. Randall, the Officer in Charge of the Western Procurement Division, U. S. Marine Corps, stated that an important contribution to the success of the Women Marines' recruiting program has been the splendid cooperation of newspapers and advertisers. An example of this cooperation is seen in this issue of The Banning Record. The advertisement of Pacific Greyhound Lines is devoted almost wholly to Marine Corps Women's Reserve recruiting. This message to women is running in more than 500 newspapers throughout California, Oregon, Nevada, Utah, Arizona, New Mexico and parts of Texas.

"We greatly appreciate this cooperation," Colonel Randall said. "This contribution to our cause is particularly appropriate coming from Greyhound, as members of the Marine Corps Women's Reserve depend greatly on this nationwide travel system for transportation to and from training camps and the points throughout the country where they are stationed. Places in the West where Greyhound serves our organization include, among many others, Camp Pendleton at Oceanside, Camp Elliott near San Diego, and air bases at El Centro, and other locations. At Camp Elliott Greyhound service is particularly valuable, as a large number of Women Marines are on duty there and Greyhound provides special bus service to this camp."

Palm Springs Youth Starts Air Training

George Wrangle, 19, son of Everett Wrangle of Palm Springs, entered the Army Air Center at Nashville, Tenn., for training.

Following examinations to determine in which branch of the air service he is best fitted, Cadet Wrangle starts the training grind that will eventually lead to wings and a commission in the army air forces.

MORE ABOUT . . .

Door Or Jar? . . .

fore making a decision and Councilman John Connell, other member of the committee, said he'd be satisfied with the word of Manager Sorum and Chief Leoncio.

Mr. Sorum then brought up the question of the definition of a "room." Under terms of the city's dance hall law, no dances may be conducted in a room which also contains a bar. He cited that in many cases the bars and dance floors were separated by partitions with doors in them and that brought up the question of whether the intent of the law was being met if these doors were open.

At this juncture, Therieau asked for a recess and took his committee outside where for 15 minutes they talked it over. Decision was, Therieau reported, to grant the dance permit if the doors were doors and not ajar. They must be kept closed.

So the Cue club got its dance permit. But it has been so long since the application was made that the club's name is now the Zanzibar and it opens its new dance floor tonight.

MORE ABOUT . . .

Red Cross . . .

local branch of the Red Cross, will greet Col. Fox and introduce him, Mrs. Lippman said. Col. Fox will be flown to Palm Springs from Long Beach by the army, for the talk.

He was at Guadacanal at the height of the action there and was the builder of the air strip there. He has been in the news often because of his manifold activities.

PLAN EXHIBIT

An exhibit of the slippers the Red Cross production room is making for hospitals and some of their knitting will be shown. Mrs. Lippman was chairman of the production room all through the summer and has been knitting chairman for two years.

The meeting will serve to acquaint Villagers with the work of the Red Cross whose annual campaign will be launched in March.

Palm Springs Lad On Casualty List

Last Sunday's casualty lists, released by the government, carried the name of Sgt. Earl Pinckard, son of Mr. and Mrs. R. S. Pinckard of Palm Springs. Marine Corps Sgt. Pinckard was wounded at Tarawa and his parents received official word from the navy last December 10, as reported in The Sun of that date.

Since then they have received letters from him from a south Pacific area hospital and he is reported on the mend.

MORE ABOUT . . .

This Side of the Sun

not a Nazi!" Ideological, I term it.

THIS AND THAT—I like that story of two women conversing. One said: "Your husband is so smart. He must know everything." Said the other: "Oh, no, my dear. He doesn't suspect a thing." . . . Judge Arthur Day of Cleveland would have all married people keep in mind that mighty oaks grow from little acorns. He is a divorce court judge and his experience tells him that most divorces are caused by a lot of little things. . . . Big times are ahead. Father Riker of Holy City predicts that you soon will see people fly through the air without the use of the flying machine. You can see that now in Los Angeles traffic.

POLITICS—"With this country in the midst of a great worldwide struggle, it is no time to talk politics—however, I can say that I will be a candidate for reelection in 1944," said Sheridan W. Downey the other day. . . . Vi and Marcus Caro are going to retire from business this month. I hope my favorite No. 3 at their cafe doesn't retire with them. They've gotten so they call that 'Phat's Special' there. . . . Uncle Sam plans to add one penny to the price of carrying a letter. If he needs the penny, good. But think of what he'd make if he eliminated free mail for congressmen!

MORE ABOUT . . .

Bid to USO . . .

well known to Villagers because of previous appearances here. Also of much interest will be a USO Mobile truck on exhibit allowing Villagers to get a glimpse of the equipment carried to take shows and entertainment to soldiers even in the most isolated camps.

Through courtesy of Harris Posey, manager of Bullocks, Palm Springs, and Larry Schultz, manager of Desmonds, Palm Springs, window displays calling attention to the birthday have been arranged by Cpl. Bill Willard of Torney General Hospital. Cpl. Willard was formerly with Saks, New York.

C-book cars, next deadline, Feb. 29, 1944.

Cathedral City Red Cross Makes Record In January

The Cathedral City Unit of the Red Cross had their final meeting for the month of January, 1944.

Twelve of the girls were presented Red Cross pins, having completed their 50 hours in the production room. The twelve given pins were Ruth Childs, Jennie Rucker, Clifline Ashley, Dorothy Dentice, Hazel Ganbe, Marvel Jones, Francine Melrose, Mildred Strauss, Eleanor Turner and Helen Lindsay.

For the month of January the ladies have worked 750 hours, including home work and work in the production room.

Mr. J. Kyle, chairman of the Unit, congratulated the ladies for their good work and the amount of completed articles turned in to the Palm Springs Chapter. Francine Melrose was praised for her outstanding work as business manager, and Mr. Kyle presented prizes of War Stamps from Elly's Cafe and the Cathedral City Grocery to Mrs. May Lacey for most work done at home and to Mrs. Marvel Jones for the most outstanding work of the month.

Praise was given Mrs. David Diamond and Mrs. Elizabeth Bean for the number of hours of home work credited to them.

The election of officers for the month of February was then held. Mrs. Hazel Ganbe was elected secretary-treasurer and Mrs. Marvel Jones was unanimously re-elected production manager.

The following is the monthly production report:

In 750 hours of work at home and in the production room they produced 30 pairs of slippers, 24 wash cloths, 16 bibs, 9 kimono, 3 kit bags, 7 night gowns, 3 comforters, 16 belly bands, 49 diapers.

Miss Davis Bride of Service Man At Ceremony Here

Miss Martha Davis of El Centro, formerly of Gurthie, Oklahoma, a niece of W. M. Davis, well known winter resident, became the bride of Cpl. Buford K. Cooper, U. S. Army, stationed at Fort Sill, Okla., in a beautiful ceremony at the Community Church Sunday evening at five o'clock. Dr. J. R. Macartney, pastor of the church, read the vows. The bride was attired in a pale blue suit trimmed with Irish crochet. Her hat and veil were in the same shade and she wore white orchids and gardenias. Mrs. Robert McLain, matron-of-honor, wore a yellow dress with brown accessories and carried gardenias and lillies.

Lt. Larry B. Davis, of the 81st General Hospital staff, stationed here, was best man. The bride was given in marriage by her uncle, W. M. Davis.

Mrs. Cooper is a sister of Lt. Davis and attended school at Oklahoma University where she was a Felta Gamma. Cpl. Cooper is a graduate of Oklahoma A and M and also attended Oklahoma U. He is the son of Mrs. Pauline S. Cooper of Stillwater, Okla.

The young couple are at Santa Barbara on their honeymoon trip. They will make their home in Oklahoma where the bridegroom is stationed.

Lt. And Mrs. Sheppard Honeymooning Here

Lt. and Mrs. Benjamin L. Sheppard are spending a brief honeymoon in Palm Springs before going to Phoenix, Ariz., to make their home. Lt. Sheppard is stationed near Phoenix.

Mrs. Sheppard is the former Patricia Anne Tally and her marriage to Lt. Sheppard was solemnized last week in All Saints Episcopal church in Beverly Hills.

Lt. Licht And Bride Here On Honeymoon

Lt. Irving L. Licht, U.S.A.A.F., and his bride, the former Hilda Elster, daughter of Mrs. Sarah Elster of Los Angeles, are honeymooning at the Desert Inn. Their wedding was a social event of last week. Following their stay here, they will make their home in Taft, where Lt. Licht is stationed.

President of State Federation of Women's Clubs Guest of Honor At County Club Meeting Held Here

Mrs. Earl B. Shoesmith, of San Leandro, president of the California State Federation of Women's Clubs, was the guest of the Riverside County federation at the meeting held in the Woman's Club House in Palm Springs, Monday.

The meeting opened at 10 a. m. with the president of the County federation, Mrs. Alexander Rolland, of Indio, presiding.

Moments of Meditation entitled "Hope," was read by Mrs. A. G. Kieser, of Riverside. Mrs. S. K. McKensie, led the salute to the Flag and after Assembly singing under the direction of Mrs. F. H. Becker, of Indio, greetings from the Palm Springs Woman's Club were brought by the president, Mrs. William A. Lippman. The response was made by Mrs. E. A. Henderson. After routine reports and matters of business, Dr. J. R. Macartney, of Palm Springs Community church, gave the morning address. His subject was "Biblical Inspiration for Present-Day Problems." Dr. Macartney traced the history of prominent women from the first mention of women in the Bible. He paid a special tribute to Mme. Chiang Kai-shek, and spoke of the problems which are facing women as a group and women as voters in the present time.

TRIBUTE PAID

Mrs. John Stewart, of Hemet, former county and district president, gave a memorial address in tribute to the late Mrs. Grace Talbot, also a former president who has recently passed away.

Following luncheon in the Desert Inn, the afternoon session began with music arranged by the Palm Springs club. Miss Elena Lindemann of the Lindemann Sisters who formerly sang at Awanee Lodge, in Yosemite, sang a group of Spanish folk songs, in costume. Her numbers included songs of the Mexican Ranchero "Wagon Driver's Song," Santo Antonio, a group of Mexican love songs and the history of the Mexican women's head-dress. She was accompanied on the guitar by Sam Hinton, curator of the Desert Museum and chief of the Department of Hematology at Torrey General hospital.

BRINGS STATE REPORT

Mrs. Shoesmith brought a report to the meeting, from the State Board meeting held in Los Angeles, last week. She explained the stand the state board is taking in desiring that the Teahachapi Institution for women be

made a part of the Department of Correction as proposed by the legislature. She gave a short analysis of the Industrial and Welfare codes now being studied by the federation and mentioned that the federation board also has adopted a resolution opposing the principles of food subsidies.

She also reported that more than \$1,000,000 worth of War Bonds had been sold by member clubs of the California Federation, within the last few weeks. Setting their goal the purchase of one bomber costing \$300,000, the clubs quickly exceeded this amount and are still going.

"PRECIOUS COMMODITY"

The inspirational address of Mrs. Shoesmith was entitled, "A Precious Commodity." She gave as a definition of it, the willingness to work together. She stressed particularly, training to work in group effort and the growing trend for closer cooperation, and through this cooperation, the influence of women and women's clubs is becoming greater. She closed with the thought that "Genuineness is more important to be recognized, than genius."

Important matters which were brought before the meeting included a paper on the Bill of Equal Rights, which was brought by Dr. June McCarroll, of Indio. The Nurses' Scholarship Fund which was explained by Mrs. Harry Seales, of Hemet.

Mrs. E. A. Henderson, county Tuberculosis chairman, told of the mobile unit which is coming to Riverside county, April 14-21. Through the work of this unit it is possible to examine 500 school children per day. Giving tests and taking X-ray pictures.

Michigan Senator And Wife Guests at The Palm Springs

Among distinguished guests at the Palm Springs hotel this week were Senator and Mrs. E. F. Thomas of Detroit, Mich., who spent a few days resting in the desert sunshine.

Mr. and Mrs. R. N. Slingerland, of Walnut Creek, Calif., were here on a combined business and pleasure trip. Mr. Slingerland is with the Standard Oil company and made this his headquarters for desert business trips.

"Doc" E. D. Marston of the Los Angeles Examiner circulation department, was a guest at the Palm Springs hotel, here for a brief rest.

H. M. Isaacs of Niagara Falls, who has been spending some time in Tucson, Ariz., arrived at the Palm Springs hotel for a stay in the Village.

Mr. and Mrs. M. H. Reed and two small children and Louise Haymie, all of Austin, Texas, were another party at the popular hotel.

Here to recover from a recent attack of illness was Lt. William M. Cunningham of Camp Abbott, Oregon.

Among guests at the hotel was Dr. Nicholas Ruzsa of Hollywood who has made Palm Springs a regular habit.

Mr. And Mrs. Vieth Entertain Group

Mr. and Mrs. William Vieth entertained the young people of Community Church at their home after services last Sunday night. It proved a delightful hour of fun and song.

Trees to Grow On Disposal Plant Site

Councilman Philip L. Boyd called attention of city council to plans discussed, when the army first built its disposal plant from Torrey General Hospital, to landscape the area. He said he noted that this had not been done and that, while the plant was kept in a neat condition, he thought trees would improve it. He offered to supply cuttings and Councilman John Connell will confer with army authorities on the proposal.

Eventually Hitler can be monarch of all he surveys simply by closing his eyes.

Miss Edie Bush, Popular Villager, Bride of Officer

Miss Edith (Edie) Bush, Desert Circus Queen of 1942, became the bride of Lieut. William LeFevre in Los Angeles, on January 25, friends learned here this week. Judge Thurman Clark officiated at the marriage ceremony.

Lieut. and Mrs. LeFevre are now residing in Long Beach.

The bride is the daughter of Duane Bush of San Francisco and the cousin of Mrs. Melba Bennett, of Deep Well Guest ranch, with whom she has made her home for the past three years.

Lieut. LeFevre is from Elkhart, Indiana. He was stationed in Palm Springs with the Ferry Command all last fall at which time he met his bride-to-be.

The bride is a graduate of University of Oregon where she became affiliated with Delta Gamma. The betrothal of the young couple was announced last December by her father while sojourning here for the season.

Spring Sunshine Brings Renewal of Desert Inn Picnics

Warm spring sunshine on the desert is being enjoyed to the fullest by the guests at Desert Inn, which this month is beginning its ever popular mid-day picnics and early morning horseback rides followed by breakfast served out on the desert.

First picnic was held Tuesday, and will become a weekly custom on that day. Due to the War's curtailment of gasoline, which limits transportation, the group was not sizeable this week. However, those with cars filled every nook and crevice, and a gay group drove out the beautiful gate of Desert Inn, bound for a spot out on the warm sands near the Experimental Station. A delicious luncheon awaited those who made the trip, and the group returned late in the afternoon, delighted with their day of true western atmosphere. Also many displayed an even deeper coat of tan acquired while lunching under the desert sun.

EQUESTRIANS ONLY

The Friday morning ride will be for equestrians only. There will be no transportation shortage as there are enough horses for everyone and the "sissies" who do not ride must remain at home. After a good brisk ride, the party will be guided to the spot where an open air breakfast is to be served.

Desert Inn has been chosen by Karl H. von Wiegand, for 30 years in the Hearst Organization and many years their chief foreign correspondent. Accompanying Mr. von Wiegand here for an indefinite rest is his journalistic associate, Lady Grace Drummond-Hay, who is a well known correspondent in her own right.

LOVE DESERT

The two chose Palm Springs, because of their great love of the desert. Both have vacationed and worked on the deserts of North Africa, and know almost every mile of that section from Casablanca on the Atlantic to Port Said on the Suez Canal.

Among new arrivals this week are: Mrs. A. Richard Frank with Mrs. Herbert Weil, who have come from Chicago for a stay of three weeks; Mr. and Mrs. Frederick Stearns, Gosse Point, Mich., will remain through the month; Lt. and Mrs. Fred L. Sylva, North Carolina; Lt. Comdr. Edward S. Ronan, Jr., of the Yale Club, New York City; Comdr. and Mrs. E. O. Rigsbee and their small child, Coronado; Dr. and Mrs. A. F. Phillips, Larchmont, N. Y.; Mrs. Caroline Galbraith, Town House, Los Angeles; A. P. Gianinni, San Francisco; Mrs. Margaret E. Neiswander, Los Angeles; Miss Mary Reardon, Los Angeles; Theodore R. Sill, Chicago; Mr. and Mrs. Charles Mason, Los Angeles, will visit here for two weeks; Dr. and Mrs. Fraser, Richmond, Calif.

One group representing San Francisco, who stopped several days, were Dr. and Mrs. George N. Hosford, Dr. and Mrs. Harold Whalman, and Dr. and Mrs. James White.

Tanner Motors Get Five-Year Franchise

City council Wednesday night adopted an ordinance granting the Tanner Motor Livery a franchise for passenger transportation along city streets. The franchise is retroactive to Sept. 1, 1943, and terminates Aug. 31, 1948. The city is paid two per cent of the company's gross receipts.

Many Gay Affairs Feature Week At The Racquet Club

Mr. and Mrs. John M. Forbes, Jr., of Santa Barbara, entertained at luncheon at the Racquet club Sunday for Mr. and Mrs. Earl Holley, Mr. and Mrs. George M. Holley, Mr. and Mrs. James Bulkley, Mrs. Kenneth Peck; Mr. and Mrs. Forbes are spending the season at the Smoke Tree ranch.

Tennis continued the mainstay at the club with Miss Phyllis Haverstrite of Beverly Hills, Captain and Mrs. Edison Hilt of San Francisco, Paul Lukas, Mrs. Howard Lang and Mrs. Martin Weil of Los Angeles being noted on the courts daily. Mrs. A. P. Litschi, whose husband is in the service, was seen in an excellent game with Mrs. J. J. Carroll.

Guests at the club this week are Mr. and Mrs. Robert Martin of Grosse Point Farms, Michigan, J. P. Seebury of Pacific Palisades, Mr. and Mrs. Edwin Silberman of Chicago and Mrs. Edmund Goulding of Hollywood.

Cathedral Choir Honors Mrs. Visel At Birthday Party

Coming as a complete surprise to Mrs. Holly Lash Visel, the entire Cathedral choir of the Community church, called at her home on Tuesday evening to join her in a birthday celebration.

When the Swiss bell rang and the door was opened, the choir stood in their regular formation on the lawn singing "Happy Birthday to You."

Gifts from the group were presented to the honoree, expressing their good wishes. Beautiful floral gifts from the Chapel Choir, consisting of high school girls, were delivered at the door as an added surprise.

The uninvited guests proceeded to make a merry evening with musical numbers sung by Mrs. Walter Illick, Mrs. Gregg and Mrs. Visel, with Mrs. LeRoy Hocker at the piano. Games followed. Much interest was shown in the exchange of musical experiences from various parts of the world.

Birthday cakes with ice cream and coffee concluded the happy evening.

Noted San Franciscans Visiting In Village

Mr. and Mrs. Boise Penrose Russell and their son, 6, are in Palm Springs to spend a fortnight before returning to their San Francisco home.

Russell is a nephew of the late U. S. Senator Boise Penrose of Pennsylvania.

Some congressmen say a little inflation wouldn't hurt. They're getting along partly full of wind themselves.

Candy - The Gift For Sweethearts Valentine Day

Sweethearts, separated or drawn closer in a world at war, follow age-old custom of sending the loved one a token of affection. Delicious candy has always been a favorite Valentine remembrance. This year in keeping with the times, buy your gift candy in plain boxes. Put the cost of a fancy box into war stamps instead and help make this the last war-time Valentine's Day.

But always give the best candy made fresh daily in outstanding variety in our own kitchen. No other gift could be so welcome. Yours for Victory

Mrs. Ona Brown Hostess In Honor of House Guests

Mrs. Ona Brown was hostess this week at two charming parties for her house guests, Mrs. D. W. May of New York City and Rumson, New Jersey, and Mrs. Hermon Roberts of Los Angeles.

Mrs. May and Mrs. Roberts were honored at a luncheon Wednesday at the Tennis Club and at the Colonial House last evening at a dinner. Prior to the dinner, the guests assembled at Mrs. Brown's home for cocktails and hors-d'oeuvres.

Besides her home in New York, Mrs. May has an attractive 12-acre estate, her summer home, on the water at Rumson, N. J.

Guests of Mrs. Brown to meet her house guests were Mmes. William Malouf, B. I. Malouf, Tommy Malouf, Kenneth Kirk, Lee Behring, Jerry McClintock, Frank Willard, Harry Macey of Bel Air, and Miss Rose Malouf, the latter of New York City.

MANX TONGUE DYING

The old tongue of Manx, native language of the Isle of Man, is gradually dying out. Fewer than 1000 of the island's 50,000 population now have a speaking knowledge of it.

Irene Varrady Here With Flower Exhibit

Irene Varrady, who arrived this week from Florida to spend the season in Palm Springs, is now at the Museo del Desierto showing a novel line of artificial flowers.

Her "glow flowers" are luminous and glow in the dark, the darker, the brighter they glow. They make an ideal ornament for glamorous evening wear, she says.

Linthicum Is Now On Sheriff's Staff

Resignation of Jim Linthicum as local police officer, was accepted by city council Wednesday night. Linthicum has accepted a position with the county sheriff's office. His successor here has not yet been designated, Chief of Police Lyle J. Sanard said today.

TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney Army General Hospital, Palm Springs

Torney General Hospital acted as host during the past weekend to Brig. Gen. John M. Willis, Surgeon, Ninth Service Command. Gen. Willis arrived here Friday, January 21, to visit the installation as part of his tour of the Southwest. Greeted by Col. A. B. Jones, Commanding Officer, of Torney, the visiting General Officer posed for a group picture with officers of this installation.

On Saturday, Gen. Willis journeyed to Mill Creek to visit the Torney General Hospital Convalescent Facility located there. Much impressed by the location, facilities and potentialities of the Convalescent Facility, Gen. Willis expressed his approval of the work being carried on by this branch of Torney.

Returning to Torney Saturday evening, Gen. Willis was tendered a reception. Greeting officers, wives and guests, Gen. Willis was accompanied in the receiving line by Col. and Mrs. A. B. Jones and Capt. E. Traeger. Following the reception, a dinner dance was held in the Coral Room.

LT. GRAY NOW CAPTAIN

Announcement of the promotion of 1st Lt. Peter T. Gray, MC, to the rank of Captain has been received during the past week. One of the "long-timers" here at Torney, Capt. Gray has been associated with this installation since August 9, 1942.

Since first reporting for duty at Torney, Capt. Gray has held many responsible assignments here. First seeing duty in the Surgery and Out Patient Section, Capt. Gray was for a time stationed at the Mill Creek—Torney General Hospital Convalescent Facility in charge of the Rehabilitation Program. Capt. Gray is at present assistant Chief of the Orthopedic Section of Surgical Service.

Before coming to Torney, Capt. Gray was stationed at Fitzsimons General Hospital, Denver, Colo. Capt. Gray spent several years in connection with the Northern California Indian Service before coming into the service.

A very popular officer, gentleman, and father, Capt. Gray is receiving congratulations for his well-earned promotion from the entire staff of Torney.

Sgt. Joseph Filtz Looking Forward to His Return Here

Sgt. Joseph F. Filtz, son of Mrs. Josephine Higgins of the Cathedral Date shop, is expecting a furlough soon and plans a visit to his home in Cathedral City and is looking forward to renewing his old acquaintanceships here.

"When this war is over, I am going to come back with my newly acquired wife to the desert to stay," he wrote. "I have been with the date shop ever since it opened and when the war is over I'm going to keep it open."

"Thanks so much for sending me the Desert Sun. It keeps me in touch with the place I left three years ago."

"From the paper I get the idea that Palm Springs is doing all right by her boys in uniform."

"When I'm through serving Uncle Sam in the army air corps, I'm coming back to Cathedral City and Palm Springs and finish what I started before going into the army."

Francis Simmons Home Again After Overseas Service

Francis A. Simmons who went into the service from Palm Springs a year and a half ago, is back in the Village after having seen active duty overseas in the European war theater and having been honorably discharged because of disability. Before he went into the service, he was with the El Mirador hotel.

Simmons arrived in the east last December and has spent the past month in an army hospital in Massachusetts.

He plans to stay in the Village.

and illustrator, from Woodstock, N. Y.

Work will include instruction in pencil drawing, charcoal, crayon and oils. Materials will be available for those wishing to enter the class. Two afternoon periods a week will be devoted to the art work. Further announcement of time will be made on the Red Cross bulletin board and in this paper.

Bridge players, and would-be bridge players, are invited to the Recreation Building lounge Monday for instruction in the game.

Patients confined to bed and those unable to come to the movies at the building will be glad to know that the 16 mm program is being resumed again. The reason for the interruption in the popular ward program was a breakdown of the projector, but now the machine has been returned from its hospitalization in Los Angeles and is back to duty again.

PLUTO THE PUP, AWOL

Pluto the pup, mascot of Barracks 48 is missing. His owner, Lt. Koester, ANC, discovered the loss January 24 at 0645. She quickly spread the alarm. A frantic search was begun and the grounds are still being patrolled.

Lt. Koester, grief stricken, told reporters today she hasn't given up—and hopes he will be back in her arms before the end of the week.

COVERING THE FIELD

T/Sgt. Verne Semrad is sporting a significant gleam in his eye these days. Semrad is the proud papa of a bouncing baby girl—so there, you fathers of male offspring.

PLAN PARTNERSHIP

Announcement of the engagement of Miss Bernice Morris of the Provost Marshal's office, to Lt. Philmore Divine, MAC, of this installation, was made public during the past week.

Miss Morris has been employed on this post since April, 1943. Lt. Philmore Divine, at present connected with the patient rehabilitation program, has been stationed here since November, 1943. The time of the wedding has not been announced.

It is said that many women use less than the 850 words of Basic English, but of course there's a terrific turnover.—Punch.

AMERICAN LEGION DUGOUT

By the Legion Observer

Mrs. Alice Thurman, who has been very faithful as hostess at the Dugout for the past months, is leaving us to return to her home at Seal Beach. Not only will Mrs. Thurman be missed, but her husband will leave a place that will be hard to fill. Many a service man has written a letter home that might never have been written were it not for the fine writing desks that Mr. Thurman made for the Dugout. Hurry back Mr. and Mrs. Thurman.

It's goodbye also to Mrs. Royal John Hunter McNea, who is leaving for San Mateo. She has done her bit while in Palm Springs, serving as hostess at the Dugout.

MANY FINE GIFTS

Several nice people brought in some gifts for the Dugout. Four cartons of cigarettes found their way to the Dugout with the cooperation of Mayor Frank Shannon. That keeps the Mayor's batting average way up there.

Mrs. Tom Holland saw the need of a new desk at the Dugout and met this need by bringing in a fine wicker affair, green in color, that blends in just right with the rest of the wicker furniture. Mrs. Holland has been making herself valuable, further by handling a little job that answers a real need. That is the wrapping or in most cases, the rewrapping of packages for the men who wish to send things home. Then after the wrapping there is the matter of seeing that they are mailed. Mrs. Holland also attends to this.

Around seventy dozen donuts were made available through the kindness of Mrs. McNea, Mrs. Guthrie, Mr. Bump, Mrs. Thurman, and Mrs. Beeler. Donuts are always a welcome gift.

A FINE GESTURE

Mrs. E. M. Juda, one of our new hostesses dropped in the other day with good things to eat for the snack bar. Mrs. Juda is doing something that could well be copied by others. She has fifteen service men on her list and writes to them regularly, now and then sending some little gift.

A fine gesture. Hostess Mrs. Sidney Bowman showed up for her stretch as hostess last with cigarettes, which were greatly appreciated. Mrs. Flo Guthrie did her good deed for the week by bringing some more of those cookies. Fresh from Desert Hot Springs, W. R. Hillery took care of the grapefruit shortage with a generous donation of two boxes of the same. Thanks, Mr. Hillery. Mrs. DeBolt added the final touch with much popcorn, and good. Mrs. Fleta Wroughton of the Desert Garden Date Shop just stopped by with ten dozen of the biggest donuts you ever saw. Another Lady that knows what is popular at the Dugout.

Harold Hanson, who is always ready to help when help is needed, added orange picking to his many accomplishments this past week. He is responsible for this week's supply arriving at the Dugout, from the Untermyer estate.

MONDAY'S FEATURE

Home-made apple pie is still the Monday morning dish, thanks to Mrs. Ida Woods. She seen her duty and she done it, as Marvin Sales would put it. Apple pie with coffee is hard to beat. We had the pleasure of testing one of those pies last Monday when Mrs. Wood baked a pie for us. Carry on.

Hostesses at the Dugout have to be pretty tricky with the needle along with their many other chores. Take Mrs. Hazel Jones. Not long ago we dropped in at the Dugout and found her busily engaged in sewing a chevron with one hand and darning socks with the other. Just one more Dugout service said Mrs. Major Jones.

The Saturday night Sings are proving so popular that it looks as though Mrs. Osborne and Mrs. Hooker have their Saturday night work cut out for them for the duration, and from what we hear they hadn't better show themselves at the Dugout on Sundays unless they are ready to get in the groove. The work that these two ladies are doing answers a real need.

THOSE WHO HELPED

The ladies whose names follow are the ones responsible for making the month of January a happy one for about seven thous.

Former P. S. High Student Praised By Army Officer

BY BOB LIENAU

"Smoke Signals" Writer

Mrs. Juana Valdivia, resident of Colton, received a letter from Major W. H. Endicott, director of training for Army Air Sores at Las Vegas, Nev., commending her son, Sgt. Pete Nila, former student of Palm Springs high school, for meritorious service.

Major Endicott's letter follows in part:

"On behalf of our commanding officer, Col. George E. Henry. I would like to commend your son's ability as instructor here at the Las Vegas Army Gunnery School. 'Sgt. Pete Nila has been an instructor in the training department for approximately three months and has always done an exceptional job."

"You are commended in having such a fine son who, we believe, is one of the better ones that make up the American youth of which we are so proud."

Sgt. Nila was a popular athlete at Palm Springs high school until he graduated in 1942.

Corporal Dunlevie Now In Salina, Kansas

Corporal Ernest G. Dunlevie, a resident of Palm Springs for eight years prior to joining the army a year ago, is now stationed at Salina, Kansas, in the army air corps, according to word here.

Cpl. Dunlevie was on the staff of Bullock's Palm Springs before entering the service.

Corporal Henry Lotz Qualified Gunner

Cpl. Henry P. Lotz, son of Mrs. Henry Lotz, 525 Andreas road, who was recently here on a brief furlough to visit his mother and family, has graduated from the Harlington Army Air Field Gunnery School and is now awaiting new assignments, according to word here.

and Soldiers who found their way to the Dugout: Edith Herley, Alice Thurman, Lillie Beeler, Marie Holland, Hazel Jones, Bunny Cuneo, Flo Guthrie, Effie Kalseim, Clema Granger, Ida Wood, Agnes Reeves, Kay Cadwalader, Gertrude Tomkins, Dorothy Benzen, Myrtle Gallegur, Isabelle Taylor, Marjorie Schanderl, Mrs. Marvin Ostrander, Mrs. A. Pierce, Margaret Taylor, A. M. Hogan, A. DeBolt, Mabel Swart, Helen Williams, Bert Turner, Florence Spraggins, Bernice Stepp, Mrs. A. B. Well, Hazel Hanson, Bertha McNea, Norma Lunning, Edna O'Reilly, Mrs. W. A. Froom, Virginia Osborne, Florence Bowman, Frances Bauer, Caroline Davidson, Mrs. E. M. Juda and Mrs. H. Leussler. Their efforts are appreciated.

Chief Petty Officer George R. Tomkins, well known Villager and member of American Legion Post No. 519, was home on a short visit this past week. George brought with him a very interesting display of Jap souvenirs from Attu, where he saw action during the action last summer. These souvenirs are to be on display in the lobby of the Plaza Theater for the duration of the War Bond drive, through the courtesy of George Strebe. At the completion of the drive, the exhibit will be at the American Legion Dugout. We believe that this is the first display of souvenirs here, and they should be of interest to all. Buy War Bonds.

21st FERRYING GROUP NEWS NOTES

Ferrying Division, Air Transport Command, Army Air Field, Palm Springs, California

By S-Sgt. George Goodale

HE GETS EXPERT HELP NOW

Sgt. Sigmund Goldstein used to be a tailor in civilian life. In the office, however, he gets Shirley Kemp to sew on his chevrons while he types things for her. . . . Up in L. A. they tell the story of the sailor and the Wave who had an altercation and the only thing the gendarmes could charge the sailor with was "defacing government property."

Add guys who do their jobs well: Cpl. Dan Shapiro, who lectures chemical warfare classes competently. . . . Cpl. Maurice Prince had his curly locks in a picture with Shirley Temple in one of the recent screen mags. . . . Helen Humphrey of the Plaza Cleaners heard from WO Henry Young, who is in the Caribbean wing and says he's doing well. . . . S/Sgt. Harry Tick has never married because he thinks the itch is better than the scratch. . . . It was M/Sgt. Bill Bonner who quipped in Gordon's the other twilight: "Listen to her eat—a soupçon!"

. . . Wac Private Pauline Ogden, in training at Fort Des Moines, is the wife of Brig. Gen. D. A. D. Ogden, deputy commander in the Mediterranean, and she enlisted when her husband went overseas. . . . Major Geraldine May, head of all Wacs for the Air Transport Command, interviewed the enlisted girls here over the weekend. . . . They think she is tops. We knew that before because she was a good friend back when she resided in Oklahoma. . . . Deepest sympathy to the popular wife of Major A. E. Higgins. Her sister died in Los Angeles.

TO GET IN IT
A few sentences ago we mentioned a general's wife enlisting in the Wac when her husband went overseas. On this base one of the greatest boosters of the Wac is Lt. Louis Bardell's wife and we've heard that if the lieutenant is ever dispatched to the other side of the water-pit that if she can arrange for their young son's ample care, she'll don olive drab.

NICE GOING

Sign on a theater marquee: NORTHERN PURSUIT With Errol Flynn and HIS SEVENTH VICTIM

SLIGHT CORRECTION

Matt Weinstock, a friend of ours who columns for the Los Angeles Daily News, told us about the coast guard mail officer who wanted permission to post a notice. It stated, "Postal regulations require that letters being sent without stamps must have the word 'Free' written in the upper right-hand corner. Not 'On the house'."

MEN, MAIDS AND STUFF

Capt. and Mrs. Paul McKenna are the proud parents of a baby

boy. A shower had been scheduled for her but when the day for it arrived, she was already in the hospital, our informant states.

Those on the outside in civilian life often make much to do about the war tearing their husbands, boy friends, etc., away. Brother, that can happen IN the army, too.

Cpls. Della Hodson and Margaret Barisich are going to miss M/Sgt. Jimmy Wotring and 1st Sgt. Bill Weist, respectively. Sgt. Clarice Haglund and Sgt. Earl Hoisington are being separated, and we're not bashful to say the departure of Sgt. Gloria Bowie leaves a huge chasm. In fact it makes us feel as bad as the private who every time he saw a rip on a sleeve felt badly because he felt outranked.

It is the necessity of war, however, and we don't think any of these folk put their personal wants ahead of winning the damn thing.

So—Mizpah.

13 More Members Added By Village C. of C. In Week

Another baker's dozen of new members were added to the Chamber of Commerce rolls by Walter Kofeldt, executive secretary.

Among those who joined in the past week were Dr. Frank A. Purcell, L. Walker, Dr. I. W. Lynn, W. L. Cook of the Palm Springs Florists, Parry and Kalbach, public accountants, the Do-Nut Shop, J. L. McAtee of the exotic gift shop, Tiare Tahiti, the El Rey Hotel, Matt Hennes' Desert Drug store, Alvin Weingarten, insurance, the Dog House, Tropic Palms and Gordon Young's new dry cleaning establishment.

"We are not going to let up until every business house in the Village is a member of the Chamber — and a majority of the residents," said Kofeldt. "There are big things ahead and the Chamber should have the support of all in mapping promotional and post war plans to keep Palm Springs in the van as America's foremost desert resort."

"When the war is over and air travel comes into its own on an unprecedented scale, a tremendous bid for business after the war may be expected from our sister states and foreign lands."

"We should be prepared."

New Adult Typing Class Is Started At Evening School

Due to a request from a local military unit for a special evening class in typing, Miss Margaret Brown, commercial teacher at the high school, started instruction in this subject for a group of military personnel this week.

The class is short three or four students of meeting the minimum requirements for class size so that expenses will be met. Civilian who are interested in taking an evening course in typing are invited to join the group. There are no expenses or fees connected with registration. The class is supported by the State on a basis of certified attendance reported. But attendance must be at least 15 for each meeting if the class is to be maintained for more than three meetings.

Miss Brown points out that civilians now have an opportunity to get some of the special evening class work some of them have been asking for and at the same time insure a continuing program of instruction for the soldiers by supplementing attendance. Unless several more students join the class it will have to be discontinued next week, notwithstanding the fact that the 12 or 14 soldiers registered for the class are very desirous of continuing their work.

Class meetings are held Tuesday and Thursday evenings from 7:00 to 8:00 at the high school building, room 5. The regular meeting on Tuesday, February 8, will be omitted. The next meeting of the class, to which civilians are invited to come, will be held on Thursday, February 10.

Never one to ignore the significance of passing events, the man Franco is expected any day now to observe, "Well, I see we Allies are winning."—Detroit News.

Palm Springs High School Smoke Signal

Photography Class Captures Spirit of life On Desert

(By BARBARA KNOWLES)

Cloudless blue skies—sand dunes shimmering in the September heat—the first fall shower and the smell of greasewood in the rain—sunny Christmas holidays on a desert floor walled in with sturdy snow-capped peaks—spring flowers carpeting the warm sand with splashes of purple and lavender and red—tropical May nights and a platinum moon. In such a setting do the students of Palm Springs high go through a typical school year.

In addition to the beauties of nature, students of P.S.H.S. enjoy the comfort and luxury of a modern, well-equipped school plant. The cool, sky-blue and white buildings, gracefully arched corridors and spacious green courtyard make a perfect setting for learning.

Sports, as might be expected, play an important part in the school life of this part of the desert. They are all outdoor sports. In the second series of Yearbook, pictures portraying school sports, a few of which are reproduced on this page, the high school photography class, under the direction of Mr. Paul Summers, attempted to depict the advantages of living, studying and playing in the desert. Among the most popular school sports in this desert area are tennis, horseback riding, bicycling and swimming.

Indians Win Fast Cage Battle From Beaumont Cougars

The Indians did it again. Last Friday night the local Palm Springs five defeated the Beaumont Cougars on the latter's courts. This is the second encounter the Palm Springs team has won this season.

The score was in favor of the Indians from start to finish. At the end of the first period, the Indians led the Cougars, 11-7. At the half the local team was still leading, 19-12. The Beaumont five was putting up a tough fight, but the Indian offensive caught the Cougars off guard. The score at the end of the third quarter was Palm Springs 25, Beaumont 17.

WIN BY 10 POINTS

During the fourth and final quarter, the Indians chalked up 11 more points with the final score reading: Palm Springs 36, Beaumont 26.

Zeke Gallagher, eagle-eyed center, came out of the game with high point honors. Gallagher made 13 of 36 points the Indians scored.

There is much enthusiasm as this game brought the Palm Springs varsity into second place for the league championship. If they win the remaining two encounters of the season, they will be the East Riverside County League champions of basketball.

THE LINE-UPS

The starting line-up was as follows:

Palm Springs	Position	Beaumont
Sandefter 8	R.F.	Price 3
Smith 4	L.F.	Bergman 11
Gallagher 13	C.	Lewis 6
Lienau 5	R.G.	Gifford 4
Jurado 6	L.G.	Brown

The P. S. "Bs" had some poor luck and were defeated by the Beaumont B team by the margin of 34-21. The Cougars led the Indians all through the game.

Roland Ashley and Bob Bell tied for high point honors with seven points each.

The starting line-up was as follows:

Palm Springs	Position	Beaumont
Bell 7	R.F.	Valdivia 9
Tartaglia	L.F.	Womack 6
Moore 5	C.	Rios 2
McDaniels	R.G.	Parks 2
Ulmer	L.G.	Haskell 3

Today, Friday, February 4, the Indians will meet the Banning Bronchos on the Indian's courts. This is the second basketball game these teams have played together. The first game with the Bronchos was an unfortunate one for the Indians as they were defeated. The fellows say the story of this next game with them is going to be different as to whom the victors will be.

Bill Foster, captain, has played his last basketball game for the Palm Springs high school. Foster will be missed by the fellows for his competent playing. At the beginning of the season he was elected captain of the local hoop team.

1. High school students enjoying a late afternoon plunge at the Tennis Club pool.
2. Barbara Knowles, senior, demonstrates good equestrian "form" in front of high school.
3. High school equestriennes in formation riding.
4. Freshman Barbara Smith, one of the high school's youngest cyclists, coasting into the parking area.

Dr. Frank Baxter Addresses School During Assembly

Dr. Frank C. Baxter, head of the English Literature Department at the University of Southern California, read numerous poems of World War II to students of P.S.H.S. in an assembly held Thursday, January 27.

Mrs. Kathryn Martin, faculty member who was instrumental in bringing Dr. Baxter to Palm Springs for a series of talks, introduced him to the student body.

Dr. Baxter gave a short explanation of poetry before he read his especially selected poems.

The student body as a whole, felt that Dr. Baxter enabled them to understand poetry better.

Most of the students liked his reading of "Dunkirk" by Robert Nathan best.

Other poems he read were: "The Women Shall Knit Again," by Roger Burlingame; "The Viking Ship," by Norreys Jephson O'Connor; "Travelers," by Hilton Brown; "September Holiday," by Clive Sansom.

Dr. Baxter is a graduate of the University of Pennsylvania. He received his Ph. D. from Cambridge University, England.

The speaker also addressed the public forum meeting Thursday evening.

Freshman Boy and Girl Make Great Scholarship Marks

Barbara Smith and Ed Wills, freshmen, are the only students in high school to achieve a record of all A's on their grade cards for the first semester.

The following students have a total of ten points which is sufficient for them to be accepted for membership in the Scholarship Society:

Carol Burket, Polly Gnagy, Maryann Gorcester, Bobby Jones, Arthur Jones, Barbara Smith, Ed Wills, Mildred Woolhouse and Walter Ulmer.

Every "A" a student receives counts 3 points toward the requirements of the society and the B's count 1 point.

A cool customer, defines Ed Scanlan of the Buffalo Evening News, is the coal dealer's patron whose coal bin is empty.

Six Junior High Students Enter H. S. At Midyear

Half a dozen Seniors left high school at midyear because of graduation and an equal number of Freshmen came into the ninth grade from the junior high. The six Freshmen are: Gordon Brady, Joe Damski, Rudolf Fontes, Andrew Foster, Mercedes Rios, and Bob Salazar.

Although not a large number of students entered P.S.H.S. at the start of the second semester, the enrollment now is considerably larger than it was in September.

The only class that isn't getting larger is the Senior class. Aside from those who graduated in January, some Senior boys have received their "notices."

The total number of students at last count on January 31 was found to be 168, divided as follows: Freshmen, 49; Sophomores, 43; Juniors, 39; Seniors, 32; Specials, 5. The State enrollment figure for P.S.H.S. has now reached 205.

March of Dimes Nets \$19.83 at Palm Springs High

Students at P.S.H.S. helped fight against our biggest enemy on the home front—infantile paralysis—in a local drive which ended Jan. 31 and which netted \$19.83 for the local March of Dimes fund.

Half of the money raised is used for research to determine the cause of infantile paralysis, and the other half is used to assist victims of the disease in Riverside county.

Miss Julia Webber, high school library-study teacher, directed the March of Dimes campaign at the local high school.

Miss Webber said today, "Our aim was to get a dime from every student—100% from each class. I'm sure we would have reached our goal had we had a little more time. As it was, the response was gratifying."

The Junior class neared their goal Monday with 84%, the Sophomores with 83%, and the Freshman and Senior classes with 71% each.

Mrs. Louise Burket headed the March of Dimes campaign for the Palm Springs area.

Many High School Boys Now Listed In Armed Forces

The Service Honor Roll at Palm Springs high continues to grow. Four widely-known boys around the campus will leave for the Armed Service shortly.

These four Senior boys have been active in sports and school affairs are Bill Foster, Nick Mutaschio, Joe Sandefter and Gil Smith.

Bill Foster will leave for the Navy Feb. 3. The school requested a second deferment so that Bill might finish his Senior year, but this was denied. Nick Mutaschio will report to the Army in 21 days. Joe Sandefter is more fortunate than Bill and Nick in that he will be allowed to finish his Senior year at P.S.H.S. Joe will report to the Navy sometime in June. Gil Smith, student body president, will soon leave for the Navy Air Corps.

This doesn't complete the P.S. H. S. Honor Roll. The list is much longer. Boys who just the past year attended P.S.H.S. and are now in the services are:

Al Adolph, Navy.
Robert Belyea, Navy.
Bill Curtis, Navy Air Corps.
Bill Gilbert, Paratroopers.
Matt Hennes, Army.
Dick Heise, Army Air Corps.
Jim Liechti, Merchant Marines.
Herb Lienau, Army Air Corps.
Van Linkletter, Navy.
Dick Mendoza, Navy.
Roal Prieto, Army Air Corps.
Johnny Redding, Navy.
Charles Riley, Navy.
Jim Wooters, Navy.

Some of these boys have already seen active duty.

The Desert Sun—11

Her Letters Bring Joy to Scores of Soldier Relatives

It took an earthquake to spread good news throughout the nation and, incidentally, spread publicity for Palm Springs.

About a year ago Mrs. Fred Klug, 1535 North Indian avenue, bought a new radio equipped with short wave and all the latest devices. She never really paid much attention to short wave until last November when a slight quake jolted the Village and surrounding area.

Mrs. Klug went to her radio and started twisting dials in an effort to find out where the shock centered and got into the short wave band. She found herself listening to Tokyo broadcasting word from American prisoners of war.

Interested, she took down the message and sent a copy to the parents of the boy, whose message she heard.

Since that day, she has heard 200 such broadcasts and has sent out 200 letters to parents. She enclosed a picture postcard of Palm Springs in each letter.

The replies have been coming in steadily from all over the nation from grateful parents and wives.

Besides sending the messages to the interested parties, she also keeps a copy of each in a scrap book.

Mrs. Klug listens at 8 a. m., each morning. She says she has to listen to much false propaganda from the Japanese broadcaster to get the messages which are sandwiched in between.

Southern Council of State C. of C. Against Monument

Joining similar action taken by the Palm Springs, Redlands, Hemet and Banning Chambers of Commerce, the Southern Council of the California State Chamber of Commerce will oppose creation of a National Monument, by presidential proclamation, in the Mt. San Jacinto and San Geronio areas, it was announced this week.

The council will further recommend that the state chamber employ its statewide facilities to oppose the move in every way.

OPPOSE PLAN

In a letter to the local chamber, Trailfinders, a national outdoor organization, recently announced its intention of petitioning President Roosevelt to set aside the area as a National Monument. Because they saw in the move a threat to the proposed Aerial Tramway from the floor of the desert to the winter playground area, directors of the local chamber opposed the program and voted to enlist the aid of other civic bodies in their opposition. Redlands, Hemet and Banning chambers quickly joined in the move and now the southern section of the state chamber has decided to back them.

Action of the southern Council of the state chamber was taken on recommendation of its national resources committee, on the ground that these two areas are of great value for watershed and recreational purposes, and that establishment of the proposed Monuments would lock up these areas permanently against any economic use. It was brought out in the Council discussion that the State Chamber has a long standing policy in opposition to the creation of National monuments or parks in areas where important economic resources may be needed for future development.

EXPLAIN SITUATION

In the committee discussion, A. W. Walker, secretary of the San Bernardino Chamber of Commerce, and J. J. Prendergast, of Redlands, explained that these areas are being well administered by the U. S. Forest Service; that neither area measures up to the National park or monument standards; and that it is economically unsound to create another organization to administer the two relatively small areas, which are already under public administration. In addition, two huge National Monuments, comprising approximately 2,700,000 acres, have already been created in Southern California. These are the Death Valley National Monument, and the Joshua Tree National Monument, in Riverside and San Bernardino counties.

Masonic Service Bureau Popular With Armed Forces

The new Masonic room recently opened at the entrance to the Desert Inn grounds will be open from 2 to 10 p. m. daily and from 10 a. m. to 10 p. m. on Saturdays and Sundays, it was announced today.

The headquarters were established to provide a place for all officers and men in the armed forces, particularly Masons, to meet for rest and recreation.

It is in no sense in competition with the fine work being done by the USO, the Dugout and other soldier gathering places but, instead, supplementary to them, it was pointed out. The Masonic Service Bureau is to give those Masons who are away from home a chance to fraternize and seek the good fellowship which it is the hope of the Palm Springs Masons to extend, George Davies and M. Van Cleef, Masonic committee in charge of the bureau, said.

ed by the U. S. Forest Service; that neither area measures up to the National park or monument standards; and that it is economically unsound to create another organization to administer the two relatively small areas, which are already under public administration. In addition, two huge National Monuments, comprising approximately 2,700,000 acres, have already been created in Southern California. These are the Death Valley National Monument, and the Joshua Tree National Monument, in Riverside and San Bernardino counties.

The proposed National Monument would include approximately 35,635 acres in the San Geronio Wild Area, and approximately 17,820 acres in the San Jacinto Wild Area. The two areas are situated on the north and south sides of the State Park, which embraces approximately 12,600 acres. Both areas have been administered and protected by the U. S. Forest Service for the past fifty years.

Recreation Fund Is Set Up By City

\$500 Voted to Aid Commission In Operations

City council Wednesday night voted to appropriate \$500 from the general fund and transfer it to the Recreation fund to provide funds to permit the Recreation Commission to operate. The fund is under the jurisdiction of City Manager Ray Sorum and in the same category as other city funds.

COMMISSION STYMIED

Councilman Frank Cutler called attention to the fact that the commission's hands were tied and that it was stymied by the lack of capital even to buy pencils or other small supplies.

He urged that the city put \$500 into the recreation fund and that it be operated as other city funds with the same safeguards. He then called on John R. E. Chaffey, chairman of the commission, who was in the audience, to give the council data on the situation.

DELAYS CITED

Mr. Chaffey said that the commission had been greatly handicapped in that it had no authority to spend even a small sum for needed supplies and that its work was often delayed and made more expensive because of this.

Chinese Educator Addresses Lions on Situation in East

Dr. Yu Shan Han, professor of political science at the University of California at Los Angeles, addressed members of the Palm Springs Lions club yesterday noon at the Desert Inn, speaking on the political situation in that vast country.

W. R. Hillery was program chairman and President Culver Nichols presided.

Bars For Zoos

Bars for zoos, jails, bank vaults are of steel, high in carbon and manganese content, to make them strong, hard, unbreakable, and impossible to cut with ordinary instruments.

Councilman Philip L. Boyd called attention to terms of the federal grant recently given Palm Springs for maintenance and operation of the Field Club and said the city was obligated to spend a certain sum there. He moved that the sum of \$500 be appropriated and put into the recreation fund.

CITY NOT LAGGING

During the discussion Councilman C. P. Adams called attention to the revolving fund of \$25 recently set up for Field Club Director R. H. Bennett and also said that another appropriation for material has been made last month. He said he brought up these matters because he didn't want the public to get the impression the council was doing nothing for recreation work.

It was pointed out during the discussion that federal moneys may be used for operation and maintenance only with a small sum allotted for repairs and replacements.

The vote to appropriate the sum was unanimous.

Palm Springs Will Bask In Publicity For Bond Activity

Palm Springs' magnificent showing in which the Village soared over the top in its \$400,000 Fourth War Loan quota, is going to bring much favorable publicity in its wake.

Walter Kofeldt, executive secretary of the Chamber of Commerce, Tuesday received a letter from Charles P. Skouras, national chairman of the drive, in response to a telegram Kofeldt sent last week, announcing the local quota reached.

After commenting on the fine record of the Village, especially in regard to sale of 'E' bonds which, he said, is siphoning off the inflationary dollars. Mr. Skouras said he had called the attention of his publicity staff to the achievement so that Palm Springs will "get all of the favorable publicity possible."

Announce Winners In Drive to Get In Waste Paper

Walter Illick, chairman of the local Salvage committee, reported this week that Donald DuBose and Kenneth Youngs won the first prize of \$15 in the drive to bring in waste paper Jimmy Bigley took the second prize of \$7; Jean and Donald Baker, third of \$5; and Jimmy and Gale Hicks, 4th of \$3.

Young DuBose and Youngs collected over a ton of newspapers and magazines.

"The cold truth, however, is that people are not saving papers as they should. We've got to step it up," said Illick.

Don't Let Up In Salvage Campaign

BY WALTER ILICK

Palm Springs Salvage Chairman. All signs point to a large crop of paper for the Palm Springs salvage drive. More calls for paper pick ups this week than we can keep up with. If we have missed you please call again. Kids, don't miss a home in your neighborhood. Get everyone to save paper, magazines and cartons and be sure and tie the paper and magazines in bundles. Take them to your private storage and go after the top prize money.

America faces a critical paper shortage due to increased use of paper in manufacture and delivery of war weapons and supplies. This is aggravated by extreme shortage of man power to cut timber for paper mills. We must have eight million tons of waste paper in 1944 to satisfy military and essential civilian needs. A large part of this paper must come from the homes. I ask everyone of you to help whip this shortage.

Salvage provides the main source of some of the most critically needed materials consumed by our war factories, laboratories, and services. A failure of salvage can conceivably raise the cost of our ultimate victory by extinguishing tens of thousands of American lives, which might be saved.

Even at best it is almost in-

Winter Resident Painfully Injured In Equestrian Accident On Desert; Three Vehicles Sent To The Rescue

Mrs. W. H. Vanderploeg, wife of the head of the W. K. Kellogg company of Battle Creek, Mich., was confined to her winter home here, 427 East Tamarisk road, with painful injuries as result of an accident Wednesday while riding on the desert with her husband and Mr. and Mrs. M. P. Butler, also of Battle Creek.

She was thrown from her horse about three-fourth of a mile from Ramon road, four miles east of town. When word of the injury was relayed back to local police, the city ambulance and police car were dispatched out to the scene but could not get to the point of the accident.

Police Chief Lyle J. Sanard called Francis F. Crocker of the California Electric Power company who sent a light truck equipped to negotiate the desert, and with Frank Doro driving, to the scene. They found the injured woman being given attention by her friends and brought her to Ramon road where she was placed in the ambulance and brought to her home here.

Dr. I. W. Lynn accompanied the power company truck to the scene of the accident and rendered first aid there. After further examination in town, she was taken to her home where at noon today she was reported resting comfortably.

to render first aid until state officers arrived.

State police sent an ambulance from Wiefels and Sons of Banning to the scene and Mrs. Nichols was brought here to the office of Dr. I. W. Lynn for emergency aid.

Mrs. Nichols was later taken to the San Bernardino hospital in San Bernardino where, it was said today, her condition is encouraging.

The body of Mero was removed to Wiefels at Banning where Coroner Ben White, who went to Banning this morning to investigate, will hold an inquest tomorrow morning at 11.

Mero's wife, in Los Angeles, was notified late last night of the tragedy and is expected in Banning later today.

SLIGHT ADVANTAGE

"I remember a foreign prince who visited the United States a few years ago," reminisced a veteran newspaper photographer. "He brought along his own official photographer. My American colleagues were a bit flabbergasted at first, but they soon got over their surprise, and everything went off simply fine."

"Before taking a picture the official photographer was compelled to advance, salute, and ask permission from the Prince."

"I suppose," remarked a listener, "that he got all the best pictures."

"Oh, not at all," replied the veteran. "In fact, the American photographers got the most interesting picture of all. It showed the royal photographer in the act of asking permission."

evitable that our men in uniform will pay a terrific price in blood. Their near kin will pay in tears.

Surely it is not too much for us to pay with SALVAGE. Don't forget other angles of salvage—we still need grease, rags and metals. Phone 5405 for Salvage information.

Complete Picture of City Financial Situation Planned

A full and complete statement of the financial condition of Palm Springs as of Dec. 31, 1943, and an estimate of its position at the end of the fiscal year, June 30, 1944, will be presented city council at its meeting March 2 as result of action taken by the council Wednesday night.

On motion of Councilman Philip L. Boyd, City Manager Ray M. Sorum was authorized to prepare a concise statement of city's condition Dec. 31, covering the first six months of the fiscal year and to submit an estimate of expenditures for the last half of the year, ending June 30, also an estimate of receipts to show the possible surplus or deficit at the end of the year.

Fourth War Loan . . .

city doubles its quota, he expects to have doubled his. George M. Stout, state liquor administrator, is honorary chairman of the drive.

He said Palm Springs liquor dealers were the first in the state to complete their quota and said that some of the best bond salesmen were Joe Felix, Bert Tollison, John Archibald and Jack Lasley.

NEW EXPERIENCE

Dozens of Villagers and winter visitors, know what it is to ride in an army vehicle as result of last Sunday's successful affair staged through the courtesy of Lt. Col. E. T. Thompson of Torrey General Hospital, a member of the committee.

Better than \$1,000 in bonds were sold during the two-hour event in which purchase of a \$25 bond entitled buyers to ride in a jeep, \$50 for a ride in an armored truck and \$100 for a ride in a tank.

REAL THRILLER

Those who rode in the tanks said they had the thrill of a lifetime as they had to don padded helmets and were taken for a ride over the desert — through mesquite and sage, over hill and hummock.

Among those seen emerging from the tanks, well shaken up but happy, were Mrs. Zaddie Bunker, D. A. Seymour and Stanley Rosin and family.

PARADE BIG SUCCESS

Sunday the Los Compadres club also staged a highly successful parade and gymkhana to boost bond sales as noted elsewhere in today's Sun. Chairman Holland was especially thrilled with the work of the high school house-to-house canvassers who were determined to wind up their campaign well over their \$150,000 quota.

Mr. Holland was fearful at first that residents would not buy large bonds from the youngsters and would stick to \$25 and \$50 bonds. But several \$5,000 and \$10,000 bonds have been sold by the students, and a high school junior, Petronilla Mutascio, sold a \$50,000 bond last Friday.

"That's the spirit that made us the first community to reach our quota and the first to double our quota—community-wide cooperation. The entire Village is in this thing, 'letting them have it.'"

The Worst Is Yet to Come

Wrapping paper, including tissues, are to be reduced materially in quantity produced, according to announcements for 1944 by the war production board.

Especially affected will be fancier papers for wrapping gifts.

Speaking of postwar reserves and what they'll mean to our country's well-being when peace comes, a Chicago mail-order house had to return 55 million dollars to customers in the first six months of 1943, because the merchandise they ordered was no longer in stock or available.

A big majority of Army men, in filling out a gripe sheet, said they wanted more news from home. Let's all start pushing the pen more often!

Zanzibar, Newest Rendezvous, Will Be Opened Tonight

Announcement of the opening of Palm Springs newest "Dine and Dance" rendezvous—the Zanzibar—was made this week to those who love fine music, colorful atmosphere, the best of foods and tops in dance music when spending an evening of pleasure.

The Zanzibar, formerly The Cue Club, at 178 Andreas, is the latest in convenient appointments for the comfort and pleasure of guests. The spacious quarters have been completed, remodelled and most attractively designed in the South Sea Island motif, a charm and delight to patrons. The arrangement of guest seating and booths contribute to the enjoyment of dining.

The dance floor is right and the music of famed Daryl Harpa is known for its all round excellence. Harpa's ensemble consists of five musicians—four men and a girl. He formerly played at El Mirador and is regarded as tops in rendition of dance and entertainment music.

drive appears to be within easy reach now."

P. S. H. S. is conducting the drive on a military basis. To move up one rank from a Pvt. to a 2nd Lt., it takes 500 points; from a Major to a Brig. General it takes 1500 more points; and from a Brig. General to a four-star General it takes an extra 2000. All students start out as Pvt. It takes 13,500 to become a full General.

There are to date 10 privates, 14 P. F. C., 18 Corporals, 3 sergeants, 2 master sergeants, 3 2nd Lt., 1 1st Lt., 1 Capt., 1 Major, 1 Major General, 1 Lt. General and 2 four-star Generals.

Students who have attained the rank of a commissioned officer are:

2nd Lt. Colleen Moore, Dick Moseley, Jack Pendery.
1st Lt. Barry Miller.
Captain, Peter Spore.
Major, Harry Hanbury.
Maj. General, Bob Hillery.
Lt. General, Barbara Dadds.
General, Bob Hoover, Pet Mutascio.

There is a contest between classes in the drive. The class that has the most points collectively at the end of the drive will be given a plaque that will be on permanent exhibit. The prize will be given by Desmonds.

Earl Strebe, manager of Palm Springs theaters, has offered many generous prizes. The student who has the most points will get a free pass to the shows for one year, for two people. Second prize, six months pass for two people. Third prize, 3 months pass for two people. There will be 25 other prizes.

Cranberry Cup Both Appetizing, Attractive

Combine 1 cup sugar, ½ cup water and ½ teaspoon mint extract; bring to boiling point. Tint light green with 6 drops green vegetable coloring. Core 4 red apples. Cut slice from stem end. Cut in quarters half through to bottom; remove wedge-shaped piece at inside corner of each quarter. Carefully remove some of the center. Poach apples, 2 at a time in mint syrup until tender, but not soft, basting with syrup several times; drain. Fill apples with 1½ cups Cranberry relish. Serves 4.

Science values even venomous snakes as a check on rodents.

Don't Be Too Free Cashing Checks Is Warning of Chief

Chief of Police Lyle J. Sanard this week issued an appeal to Palm Springs business men to be sure of the identity of persons presenting checks and to exercise more caution.

The chief said yesterday that at the present time he was holding 24 worthless checks, turned over to him by local firms.

Several have been arrested and the hunt is on for others but the merchants have not recovered what they lost.

"Know your endorsers," the chief said. "Be careful in cashing checks."

Scientists, in measuring the distance of a star from the earth, view it from two points 185,000,000 miles apart. The earth's orbit has a diameter of 185,000,000 miles, so scientists plot the position of a star, then wait six months until the earth is at the opposite side of the orbit, then plot it again.

For Sale

120-ft. LOT—Single family, residence zone in La Rambla District. \$600.

BUSINESS LOT—Palm Canyon Drive, Zone C1. \$600.

60-ft. LOT—In Vista Santa Rosa, zoned for duplex. Cash—\$875.
